WELCOME TO SUTTON UNITED FOOTBALL CLUB

Setting the Scene

A warm welcome to everyone for this lunchtime Enterprise National League game which can, even after only a fortnight, claim to be the outstanding fixture in the day’s schedule, matching two sides that have won both their games so far and are yet to concede a goal in league games.

A particular welcome to our visitors from Hartlepool, who have a significant part in our history as is recalled elsewhere in the programme, and to their supporters who have made the effort to get here for a 12.30pm

kick-off. Our supporters will face a similar test on Friday evening when we visit Gateshead as part of a set of fixtures which has provoked discussion among supporters who still prefer to follow their team away in person. We are pleased to say that we are running a supporters’ coach and thank those who will be travelling, and who on one of their stops may well run in to Eastleigh supporters on their similarly lengthy trip to Hartlepool.

Enjoy today’s game.

CHRIS'S COLUMN

CHRIS AGUTTER
HEAD COACH

A warm welcome back to Gander Green Lane for this afternoon's National League contest vs Hartlepool Utd FC.

Three games played, three wins out of three.....zero goals conceded, as starts go in terms of results it's been near perfect. Regarding performance we have been magnificent out of possession, particularly when defending our half and penalty box. In possession we have loads to improve on - midweek against Leicester City was absolutely an improvement on the attacking front however!

Hartlepool United have built a very good side, loads of names and reputation on the playing staff on top of being led by Newcastle United legend Lee Clark.....they have a first team setup which now befits the club and its great history. We have no doubt that today will be a tough test, today we will need to be right at it again if we are to put another three points on the board.

Another rallying call to the Amber Army, get your replica shirts on once again, get the pink hats on AGAIN, get down to Gander Green Lane, bring another friend, bring another family member, get another digital programme, buy a pint (or 15 this time?!), buy at least two more of those amazing Burgers or ten chicken tenders, and enjoy watching a proper Sutton United team that has big ambitions and belief as we attack match-day number three of the season.

Together let's put another three points on the board, together let's continue to attack the top of the National League!

TIM ALLISON CHIEF OPERATING OFFICER

Once again it's a pleasure to welcome supporters and club officials from Hartlepool back to the Borough Sports Ground. We have many happy memories from previous visits, but it is somewhat unusual to be hosting them at lunchtime on a Saturday. That's a long journey and an early set off for many, so thank you for making the effort.

Three competitive matches into the season and we have yet to concede a goal – unless you count the single penalty Chris Haigh didn't quite reach, despite diving the

right way, on Tuesday night. I'm not sure many believed we could go through a ninety minutes without letting a goal in last season let alone three matches.

Our visitors – away from the National League Cup – are just as parsimonious to date this season. I've watched a few exciting 0-0 draws but I do hope we will be seeing some goals this afternoon.

My prediction of overhauling either or both of the 2 H's ahead of us in the table fell foul unfortunately last

weekend, but at least we are doing the right thing in winning games. It's also not possible to change the alphabetical order or the names of clubs, so overhauling them has had to wait.

Six clubs have the maximum number of points – with a further three unbeaten. Come the traditional kick-off time of 3pm this afternoon those numbers will surely have reduced further. It is still going to be too soon though to really know if clubs are at the top because they are good, or just lucky in who they have played to date.

It was slightly disappointing to have had a crowd of only 300 or so attending our midweek game, particularly when over double that attended the first NL Cup match last season, although our opponents then, Fulham, would be regarded as the more attractive, and local, opposition of the two. However, our first league match was better attended than last season which is something positive we are both glad to see and also looking to build on. Please provide us with your feedback on what we can and should be doing – and what we are doing well too. Human nature often means we complain more than we compliment, but both forms of genuine feedback are useful to us.

Our Women's team get back into competitive action tomorrow, with an away fixture against Aylesford. Despite the challenges over the last two or three seasons it is very pleasing to see the on-field progress of the section, and they are enjoying the internal competition with the men to see who gets to the fourth tier within the game first.

Off the pitch across the women's game there are logistical difficulties with pitches suffering in the number of hot spells we have had this summer. The David Weir pitch is far from immune to this. It's a genuine concern and the little rain we have had this week has done very little to ease concerns around player safety and fixture backlogs – unheard of it even being a conversation in August before.

It won't be long before our tenants Crystal Palace are having their season's start too, and we have had their teams down a number of times already this summer. The first week in September sees them host their first home WSL fixture since their successful return to the top tier in the women's football pyramid.

I'm hoping everyone gets to see another home victory this afternoon – back to back in the league, and three on the spin [the spin being we won on Tuesday!]. However instead of heading home at 3pm, why not spend the usual two hours you spend at the club on matchdays in the bars, chatting with other fans, the team, and watching the other sport on the television? You are all very welcome!

TRIBUTE TO PAUL FREW

During the summer we were very sorry to learn of the passing of Sutton United supporter Paul Frew. His partner Danielle is with us at the game today and gave us a few words about Paul.

“Paul and I only started following Sutton United home and away the last two seasons. Being two exiled Norwich City fans living in London, we decided one weekend to watch the mighty U’s and became instantly hooked (despite some questionable results!) and became season ticket holders. We met many lovely Sutton supporters at both home and away games, who always made us welcome as ‘newer’ fans. Paul loved telling anyone who would listen his take on the line up and match analysis!

Paul very sadly and unexpectedly passed away at the end of June this year. It is going to be extremely difficult to return to GGL, but Paul would absolutely insist I continue to come.

So, with a couple of friends, we will be returning to honour Paul on Saturday v Hartlepool. Future games I may attend alone, but after the kindness and welcome shown to Paul and I by the Amber Army, I know I will be okay.

This one’s for Paul, and the picture is of us at York City last season.”

Lee Clark joined Hartlepool United this summer, returning to management after a four-year break. The former Newcastle midfielder enjoyed a distinguished playing career, making 528 appearances for Newcastle, Sunderland and Fulham before retiring in 2006.

He began coaching at Newcastle as an assistant before taking his first managerial role at Huddersfield Town in 2008, spending a successful four years at the Kirklees Stadium, reaching two play-off appearances and a record-breaking 43-game unbeaten league run.

After leaving in 2012, Clark managed Birmingham City, Blackpool, Kilmarnock and Bury, helping Kilmarnock and Bury avoid relegation, moving to Sudan as Al-Merrick's manager, spending two spells with Al-Zaeem either side of a stint at Al-Ittihad in Oman, before stepping away from management. He returned in 2026 with Rotherham United, but could not prevent relegation after winning just once in nine games prior to joining Hartlepool in the summer.

12 **Neo Eccleston** Defender

Neo Eccleston is a 23-year-old defender who signed for Hartlepool this summer. Eccleston started his career in the Chelsea academy before signing for Huddersfield Town. He signed as an academy player but would later earn his professional contract at the Yorkshire side after being included in the squad for the final game of the 2023/24 season.

Eccleston spent the first half of the 2024/25 season on loan at Barrow making 17 appearances before being sent back to Huddersfield during the January transfer window. The next season he would go on loan to Grimsby Town, but would only play twice before yet again being sent back to Huddersfield during the January transfer window. This summer his contract expired allowing him to join Hartlepool on a free transfer.

17 Jack Nolan Forward

Jack Nolan started his career in the Reading academy but never made a senior appearance for the first team. He was signed by Walsall for an undisclosed fee in 2021, but only spent one season at the club before signing for Accrington Stanley where he made the biggest impact of his career, spending three seasons at the club and scoring 17 goals in 63 games in Leagues One and Two.

At the end of the 2023/24 season he was offered a new contract but instead opted for a move to Gillingham, again for an undisclosed fee. He scored his only goal for the club on his debut, and at the end of the season he mutually terminated his contract with the club and joined National League side Morecambe, for whom he was highly impressive last season scoring 18 goals in 39 games, including a nine minute hat-trick in their 5-0 win here. He joined Hartlepool in the summer and scored on his debut against Barrow.

10 Will Harris Forward

Striker Will Harris also scored on his debut against Barrow a fortnight ago after signing from Halifax in the summer.

Aged 25, Harris started his career as a product of Burnley's academy, going on various loans to Nelson, Colne and Warrington Town. He left the Clarets in 2020 and joined Sunderland, making three appearances. He was sent on loan to League Two side Barrow in 2022 for the second half of the season before returning to Sunderland only for his contract to expire.

During the summer of 2022 he actually went on trial at Hartlepool but wasn't given a contract and played for Gateshead, Spennymoor and on loan at Scunthorpe before joining Halifax last summer, where he scored 22 goals in 43 league games including one against us at The Shay in February. In his career so far he's made a total of 177 appearances and scored 49 times.

HISTORIC RAMBLINGS

Written by Mark Frake.

For this season I will be reviewing a month that today’s fixture falls in from a given year - 1986.

As last week, I opt for a World Cup year and another in Mexico. For England it was a poor start, with a defeat and a draw in the first two group matches and Ray Wilkins’ dismissal in the latter. England had to win against Poland to have a chance of qualifying. I watched this on a snowy screen on TV on a canal boat moored in Worcester along with a number of mates. We had been to watch Worcester v Kent in the Benson & Hedges semi-final during the day. We could just about make out the goals and were too busy celebrating the one that was disallowed to realise it had been chalked off. Of course, like this year, England went out to Argentina. This was the so-called Hand of God from Maradona; the reason I could never accept him as the greatest footballer of all time. Players deserving of such a title shouldn’t need to cheat in that manner.

For SUFC it was the beginning of a new era having retained their Isthmian title and accepted promotion to the GMV Conference. Manager Barrie Williams retained the vast majority of the successful 1985/86 adding only Stuart Hemsley, a central defender from Croydon. He, in effect, replaced Steve Bangs who had opted not to re-sign. Meanwhile, Paul McKinnon was still playing football in Sweden and would not return until October.

Off the pitch, U’s had finally demolished the two old wooden stands on the recreation ground side of the ground (both had been closed for a few years) and replaced them with a covered terrace, the first such structure erected at GGL. Therefore, it is forty years old and perhaps explains its current state, even if still usable.

Featured Match
16th August v Telford United at GGL, GMV Conference

A historic occasion for Sutton as they played their first match in the top-flight of non-league football. The visitors were at the time one of the Blue Riband clubs of the GMVC. This was a tough opener for U’s but would provide an idea of the levels required to succeed at the level.

Williams was hampered by a pre-season injury to forward Lenny Dennis adding to McKinnon’s absence. Therefore Paul Rogers (wearing the no 2 shirt) was drafted in up front alongside diminutive Paul Thornton. Before the match, Hemsley failed a fitness test.

The visitors survived an early scare after confusion in their defence resulted in a clearance off the line but The Bucks took a 20th minute lead. Nelson made progress on the left flank and crossed to find Hogan in far too

much space to net from ten yards. McKenna should have scored on the stroke of half-time when he clipped a fine chance over the crossbar. He made amends though in the 71st minute after combining with Hogan to net past Ron Fearon. A minute later, Nigel Golley’s cross from the left caused a goalmouth scramble and Rogers netted. Seven minutes later Thornton held off three opponents before a quick spin gave him space to fire past visiting ‘keeper Charlton. Late on, John Rains headed a fine chance over the bar.

Considering they had been two goals adrift with a very young, albeit talented forward duo, this was a fine start to the U's GMVC adventure.

Att: 766

U's: Fearon, Rogers, MacKay, T Rains, J Rains, M Golley, Stephens, Dawson, Thornton, Cornwell, N Golley

The following Tuesday, Sutton entertained Enfield, the reigning GMVC champions and their nemesis again took the spoils with a 1-0 victory, Flint netting in the 59th minute. The first away match in the GMVC was a trip to Nuneaton Borough. U's had to survive a torrid first twenty minutes as the hosts poured all over them but they improved as the match progressed. They dominated the second half and in the 77th minute, Mark Golley headed in following a long throw-in from Tony Rains. However, U's were denied a first GMVC win in the 89th minute when Morrison headed home for the hosts.

Bank Holiday Monday followed two days later and Sutton hosted Yeovil Town, their main rivals for the 1985/86 IL title in the Vauxhall (Isthmian) Charity Shield. A subdued Sutton were pummelled 5-1 as their poor record in Charity Shield matches continued.

Back to the GMVC the following Saturday and the comparatively short trip to hitherto unbeaten Barnet, the early league leaders. Defending the bottom of the Underhill slope with a stiff wind in their faces in the first half, U's were outplayed but limited the B's to just one goal. That came from Stein after Fearon had saved a penalty. With the advantage of the slope, Sutton turned the match around with a fine second half performance. Seven minutes in, Rogers struck a powerful shot through a crowded area to level and in the 70th minute Mark Golley headed in from his brother's cross. Sutton saw out the match to

claim a famous victory. SUFC had arrived in the GMVC.

United ended the month with five points from four matches in 15th place but with a game in hand over all but three other clubs including new leaders, Stafford Rangers. They had already taken four points from three of the early top three in the league.

GMVC Scorers for U's: Mark Golley 2, Paul Rogers 2, Paul Thornton 1

Aside from an embarrassing defeat in the FA Cup to London Spartan League Yeading, U's would enjoy a satisfying first season in The Conference.

Mark Golley

SUFC v Hartlepool United

Hartlepool make their ninth visit to GGL this afternoon, the seventh in the National League.

Two of those matches stand out in U's recent history. The first was the March 2020 fixture which was the last played before the league was suspended because of Covid. The second, in May 2021, was not only just the third match here that season that allowed any sort of attendance, it was of course the day U's confirmed the NL title and promotion to the EFL for the first time; U's winning by 3-0.

Prior to that, all three matches here at GGL including that 2020 match had ended as draws. Pools won for the first time at GGL in February 2025, 2-1, while last season's added to the sequence of draws here ending 3-3 thanks to Edon Pruti's last gasp header (on next page). On target for Pools that afternoon was Jermaine Francis.

The two EFL matches ended in home wins, 1-0 in September 2021 and 2-0 just over a year later. Last season, U's extended a decent record at Victoria Park with a 2-0 win on a long midweek journey back in early March. Both U's goals were scored by then AFC Wimbledon loanees, namely Kai Jennings and Osman Foyo.

U's record at GGL (league only) W3 D4 L1 F14 A9

Harry Beautyman's three goal record is the most by a Sutton player in these fixtures. He has also registered for Woking against 'Pools since.

A BLAST FROM THE PAST

We pick another notable clash with Hartlepool from the U's 128-year history.

3-0

Sunday, 23rd May 2021 | VBS Community Stadium

Sutton United thumped Hartlepool 3-0 to claim the National League title and promotion to the Football League for the first time in their 123-year history.

Rob Milsom, Louis John and Isaac Olaofe sent Sutton into League Two with a commanding victory over their promotion rivals who would join U's in League Two via the play-offs.

Milsom saw his low free-kick spilled into the net by on-loan Middlesbrough goalkeeper Brad James before John bagged his third goal in as many games. At the death Millwall loanee Olaofe slotted his fourth goal in successive matches to take his tally for the campaign to 14, and seal a historic victory in South London.

Isthmian Youth League West Division

SUTTON UNITED 0 ALDERSHOT TOWN 1

Sutton were unable to make a winning return to the Isthmian Youth League on Wednesday when having wasted a number of opportunities in the first half to take control of the game they struggled to repeat that form after the break and conceded the decisive goal fifteen minutes from time.

U's dominated the first half, with Luca Severini's corner just evading Taylor Boon, and Harry Greenhead and Jack Pledge both denied by the Aldershot goalkeeper.

Although Stiven Muca sent a free kick just wide early in the second half U's were unable to recapture that form as the game went on, and after Nathan King had seen his first action to keep out a far post header, he was beaten with fifteen minutes left by a volley from inside the penalty area.

It was Aldershot who came closest to adding to the scoreline with a shot wide of an empty goal following a King clearance.

Sutton: King, San-Norton, N'Zi, Pledge, Boateng(sub Revilla 90+4), Boon, Grimes, Severini, Francis, Greenhead (sub Heaney 75), S Muca.

Our next game in the Isthmian Youth League is away to Camberley Town on Thursday 10th September, kick off 7.45pm. A reminder that we are competing in this league this season as we are no longer members of the EFL Youth Alliance so there will be no Saturday games for the academy side this season. Isthmian Youth League home games will be played at Banstead Athletic FC.

We are still in the National League Academy South, though, having finished runners-up last season, and we begin our campaign on Wednesday week, September 2nd, against Dorking Wanderers at Tooting & Mitcham FC which will be our home ground for games in the NLAS. Our next few games in that competition are:
Wed 9/9/26 v Boreham Wood (away)
Wed 23/9/26 v Forest Green Rovers (home)
Wed 7/10 v Wealdstone (away)
Exact venues for away games will be announced nearer the time and on our website. All fixtures are subject to change.

SUFC WOMEN

A round-up of the latest news from the Women's team.

LEAGUE SEASON STARTS TOMORROW

The competitive 2026-27 season begins for our women's team tomorrow with the first London & South East Regional League game of the campaign away to Aylesford, who opened their season last week with a 3-0 win at Newhaven, Kick off is **3.30pm** at **Aylesford Recreation Ground, Forstal Road, ME20 7AU**

SARAH'S ON HER BIKE

One of the supporters making the trip tomorrow will be Sarah Aitchison, who back in the 2010-11 season cycled to every away men's first team league game to raise money for the community pavilion. Sarah has decided to repeat the feat this season, but this time cycling to every away league game that our women's first team plays.

As Sarah says: "Women's football at this level remains challenging financially. Sutton United supports its women's section by covering essential costs such as training facilities, match pitches and basic equipment, but the financial landscape across the women's game is far from level and we simply don't have access to the more sophisticated resources that gives a significant advantage to the bigger clubs we have to compete with. Some clubs at this level benefit from substantial backing through Premier League or EFL organisations, giving them access to resources and infrastructure that independent clubs simply cannot match.

Sutton United Women have also faced the challenge of playing home fixtures at several different venues due to restrictions on the number of matches that can be played at Gander Green Lane. Some of these are outside Sutton and difficult for many supporters to reach. This has made establishing a regular fanbase and generating consistent matchday income extremely difficult, despite some fantastic football being played on the pitch.

This fundraiser is not about covering the basic costs of running the team. It is about helping Sutton United Women take the next step: becoming more professional, improving the environment around the players and providing the additional equipment, support and resources they need to be successful.

The money raised could help improve areas such as player preparation, performance analysis, recovery, nutrition, travel and matchday support. These are the details that can make a significant difference over the course of a season."

You can support this by:

- Making a one-off donation at gofund.me/6a63b6f5e
- Sponsoring Sarah a set amount for every match completed – email at sarah.aitchison@suttonunited.net to set this up
- Pledging an amount for every kilometre cycled – as above, pledges can be sent in by email. If you pledge 5p per kilometre, this gives a total donation of roughly £26.30 (with the proviso that this can change in either direction due to route adjustments!)

No contribution is too small, and donations can be made at any point between now and the end of the season, and we will provide updates on Sarah's progress throughout the season.

FIXTURE SWITCHES

Sarah will be busy over the next few weeks as to give the pitch at the David Weir Centre extra time we have switched our two scheduled home games against Ashford Town next Sunday (30 August, 3.00pm) and Bromley (13 September, 2.00pm) to our opponents' grounds. The first home game will be against Millwall on Sunday 27 September.

CONGRATULATIONS BETH

FOUNDATION

FOOTBALL FOR EVERYONE.

As we begin another season, I wanted to take the opportunity to highlight something that sits at the heart of what we do within the Foundation – making sure that every young person has the opportunity to be part of football.

For many children, being part of a football team is something they absolutely love. They get to train during the week, meet their friends, pull on a kit at the weekend and represent their club. But for some young people, particularly those who are still developing their confidence or footballing ability, Sunday football can sometimes feel out of reach.

Not every child is going to be the strongest player in their age group, and that should never mean that they miss out on the experience of being part of a team.

That is why our community football provision is so important. We want to provide a welcoming environment where young people can train, develop their skills, make friends and, most importantly, feel that they belong. It isn't about how many goals they score or whether they are the best player on the pitch – it is about allowing them to enjoy football and experience everything that being part of a team can bring.

We are also incredibly fortunate to have so many fantastic Little Leagues across the borough. They play a hugely important role in giving children the opportunity to play competitive football at the weekend, and we want to recognise and support the work that their volunteers, coaches and families do every week.

Our role isn't to replace that provision; it is to complement it.

We understand that many grassroots clubs don't have the resources, facilities or volunteer capacity to offer additional training sessions during the week.

Where those opportunities aren't available, we want the Foundation to help fill that gap – providing young people with another opportunity to get on the pitch, practise their skills and continue developing in a positive environment.

For us, success isn't simply measured by producing better footballers. It is measured by seeing a young person who might once have lacked confidence walk onto the pitch with a smile, make friends, improve their skills, and feel like they are part of something. Football has the power to bring people together, and everyone deserves the chance to experience that.

So, as we look ahead to another season, I hope we can continue working alongside Little Leagues, schools, families and the wider community to make sure that there is a place in football for every young person – whatever their ability.

That is what community football should be about, and we are incredibly proud to be part of it.

Come on Sutton!

MATCH ACTION

Penalties were the decider for Sutton’s opening National League Cup game with Leicester City, with a goalless draw resulting in a shootout where Chris Haigh was the main man, saving two of Leicester’s penalties to win Sutton the extra point.

The game was an end-to-end affair with both teams having great chances to take the lead throughout, though Sutton had the bigger opportunities with Brandon Njoku and David Ogbonna having a number of chances each but neither could find the back of the net.

The big turning point in the game was after 65 minutes when Mirsad Ali received a red card for a bad challenge on Charlie Bell, leading Sutton to attack at every opportunity in their search for a winner.

A positive end to the game saw Sutton come out victorious in the resulting shootout, with Haigh’s two penalty saves alongside Emmaniel Osadebe, Jermaine Francis and Temi Babalola scoring their spot-kicks for the U’s resulted in a 3-1 win on penalties to get the National League Cup underway.

AROUND THE GROUNDS

Louis Massingham Rowell rounds up the latest in the Enterprise National League.

Today's National League fixtures see several sides with 100% or unbeaten records go head-to-head after positive results in the division last weekend.

Today's visitors Hartlepool United made it two wins from two games last weekend with an away victory at Aldershot Town. The only goal of the game came midway through the second half from summer signing Corey McKeown. The 24-year-old has stepped up to the National League for the first time in his career, having spent four seasons at Spennymoor Town in the National League North. His goal came on his debut for the Pools, having come off the bench ten minutes prior. The Shots will have been disappointed to lose the game, with Marcus Dinanga blasting a penalty over the bar late on.

Harrogate currently sit top of the division after a 3-1 win away at Wealdstone, in what was the first-ever meeting between the two sides. Summer signing Brad Dolaghan opened the scoring for the Sulphurites before second-half goals from Lewis Payne and Shawn McCoulsky secured victory. Simon Weaver's side have now won back-to-back games to start the season for the first time since the 2021-22 campaign. Hornchurch had the league's most surprising result last week with a 2-1 win at Barrow. Two divisions separated the sides last season, and the Urchins came out on top thanks to two second-half goals. Former U Joe Kizzi's goal-of-the-season contender from 30+ yards made it two goals in two games to start the season for him.

Henry Hearn scored his first goal at the level after a swift counter-attack. Innes Cameron's penalty for the home side was not enough to stop back-to-back defeats for Adam Murray's side.

Murray's former side Kidderminster got their first win of the campaign last weekend, dispatching Eastleigh 1-0. Levi Amantchi scored four minutes after coming off the bench for the Harriers, who will look to build on their win when they host Aldershot today.

One of today's more interesting games is Forest Green Rovers against Boreham Wood, and both sides managed to get three points on the road last weekend. For Rovers, second-half substitutes Josh Osude and Ricardo Rees turned the game around for Robbie Savage's side. Having conceded early to Teddy Jenks, the Gloucestershire side made it two comeback victories to start the season thanks to Rees' winner six minutes from time.

Their opponents for today, Boreham Wood, made the most of poor Halifax defending to win 3-1 at the Shay. Matt Rush bagged a brace to take his tally for the season to five, either side of Abdul Abdulmalik's first goal of the season. Transfer speculation has followed Abdulmalik this summer, with a bid reportedly in the region of £1 million from Swedish top-flight side Djurgarden turned down. Halifax will be hoping to get their first points of the season today at home to a Tamworth side who lost to AFC Fylde last weekend.

Kieren Donnelly has started the season well after his summer move from Boston and scored early on to make it three for the season so far for the Lambs. However, two goals in six minutes at the end of the first half decided this game. Danny Ormerod netted his first of the new season, having scored 28 for Fylde during their title-winning season last year. Cedric Main's strike in first-half injury time ended up deciding the contest with Fylde running out 2-1 winners. They will be confident of extending their unbeaten start to the season with a trip to pointless and goalless Woking today.

The Cardinals lost 2-0 away at Gateshead last weekend, which gave Heed boss Lee Cattermole his first three points as manager. Two goals in eight second-half minutes from Alex Lankshear and Kyle Ferguson secured the three points for the North East side. It was a good afternoon for the Lankshear family because Alex's brother, Will, bagged a brace on his league debut for Middlesbrough in their game against Lincoln City last weekend.

Another player who got off the mark for their new club last week was Josh Popoola. The 22-year-old signed for Southend United from Maidenhead United in the summer and scored the only goal of the game in a 1-0 win against Scunthorpe. The Shrimpers will have been disappointed not to have won by a greater margin, having dominated the game from start to finish against a poor Scunthorpe performance.

Scunthorpe's Lincolnshire rivals, Boston, got their first win of the campaign at Solihull Moors. A goal in either half from Lennon Wheeldon and Ken Aboh gave the Pilgrims a comfortable win in the West Midlands. Like Southend, Boston will be disappointed they didn't win by a greater margin, with Tom Cursons missing a penalty in the second half.

In contrast, Moors have a tough task today against Kieron Dyer's Southend after conceding ten goals in their three defeats on the trot in all competitions.

The only draw of gameweek two saw Carlisle United rescue a point late on at Yeovil. Stephen Walker scored on his debut for the Glovers having moved from Scarborough Athletic in the summer, and despite Joe Gubbins' second-half red card, it looked as though it would be the winner. However, for a second week running, the Somerset side conceded late on to drop points as Harvey Bunker's goal in the 96th minute rescued a first point for Rob Elliot in charge of the Cumbrians.
