WELCOME TO SUTTON UNITED FOOTBALL CLUB

Setting the Scene

Good afternoon and welcome to today’s game, and a special welcome to the Wealdstone supporters who have travelled for a game that is slightly more in keeping with what one might expect on a Bank Holiday than most of last Friday’s games, or indeed our visit to Rochdale on this Monday a year ago.

Last season Wealdstone were on the receiving end of what was thought by many to be our best home league performance of the season and they will be hoping for better today as they look for

their first league win of the season.

Although a long trip back from Gateshead, it was a happy one on Friday as despite playing the last half hour a player short we emerged with the only 100% record in the league after four games. Today we look to make it five out of five for the first time since 2005, when we completed the sequence on the Bank Holiday Monday at Dorchester having previously beaten Maidenhead, Havant, Yeading and Farnborough.

Enjoy today’s game.

CHRIS'S COLUMN

CHRIS AGUTTER
HEAD COACH

A warm welcome back to Gander Green Lane for this afternoons National League contest against Wealdstone FC.

Five games played, five wins out of five....one goal conceded, and top of the league, as starts go in terms of results it's been near perfect. Regarding performance we have been magnificent out of possession - the defensive resilience, commitment and determination shown so far has been superb, Friday nights away win vs Gateshead really typified our collective desire to keep the ball out of our net in pursuit of three all important points. In-possession we are getting better, we're starting to now dominate the game when attacking, we're starting to simmer - exciting.

Gary Waddock is a manager with a wealth of experience and success under his belt, I'm personally privileged to be sharing the touchline with someone who has done so much in the game over such a long period of time, we have huge respect for Gary and his achievements, BUT, this experience will not get in the way or blur our burning desire to keep winning games, getting three points from a Gary Waddock team is tough going - but we love a challenge.

We hope the Amber Army has enjoyed our start to the 2026-27 campaign, we 100% know it's only a start and there's no trophies handed out In August that are significant..... BUT.....its a strong start, a start that the Amber Army deserves to see from this Sutton Utd team, a start that were determined to convert into a platform to go and attack promotion-let's keep attacking every game-day together, players, staff, directors, and most importantly supporters.....be loud, be proud, we are Sutton UNITED!

TIM ALLISON CHIEF OPERATING OFFICER

Once again it's a pleasure to welcome supporters and club officials from Wealdstone back to the Borough Sports Ground. Last season this fixture was one of the few home highlights of the season. Wins at home were rare, let alone those by three goal margins. In all honesty the start of the reverse fixture last season looked to be an even more impressive performance, but let's not discuss the remainder of that game. I think that home game also marks the last time we "sacked" an opposition manager, and Sam Cox can now be found on the Guyana managerial staff in international

football, rather than in National League football.

Sam Cox isn't the only person from that Saturday who is absent today. Looking at the line-up of the U's from only a few months ago fewer than half of our starters are still with us, and only one from the seven on the bench could feature today. That's some turnover! It's been interesting to hear – as you get to in my position – the thoughts of supporters regarding a number of those departees. Some many supporters didn't want to see leave, some were thought to leave us with a weaker team as a result.

I wonder how many still hold those views as dearly now the new season is well under way?

Regarding the season as I type we are top of the table! A rare position for any club, and not one that is a reliable guide so early in the season. Not quite as early as match one in 2023/24 though!

I was privileged to sit with 68 other members of the Amber Army on Friday evening who out-sang and out-supported the 600-plus Gateshead supporters. A fantastic effort, especially so as many would have had to not just sacrifice many hours in travelling, but also take a day off work in many cases too. I'm not sure how many of the restive among us at half-time saw us being top when we were being held goalless and with Southend already leading, and second place didn't look probable either with Boreham Wood already having played and Matt Rush – of all people – rescuing not just one point but claiming all three with two late goals. Friday also marked the first opportunity for supporters to watch the team on DAZN in Rowlen's Bar at the stadium too. I've been informed the "home" support was loud as well!

My prediction of overhauling either or both the two H's ahead of us in the table after the first couple of games thus came to fruition. We now look down on all. Let's see for how long we can continue to do so. As said though, it is a long season and plenty of good clubs can be fancied to continue to pick up points with regularity, and will look to be going past us soon. It is instructive though to note that at less than 10% of the season completed we are not just unbeaten, but have maximum points, with twelve. What has been achieved in four matches took seventeen games last season.

Friday also saw the debut of the new third kit – Lucky Lavender maybe? Great it was

too to see so many of the travelling 68 wearing the shirt, as it has been at home. It is clearly popular already and the shop has been restocked since the Hartlepool match. Maybe pop down and try and buy this afternoon.

What wasn't a debut though was seeing Charlie Bell wearing it on the pitch. Unbelievably Friday marked the 50th occasion the 18-year-old has worn club colours for the first team. The "gamble" on youth early last season with the managerial change has clearly paid off. Of the current squad only three players have worn the shirt more often. It's almost insane we have a teenager as a senior player!

Combining both of the above I note that Charlie's lavender kit is still available to sponsor. Maybe that's the transaction for someone to undertake today.

This week sees the return of action for Crystal Palace also. The Under 21s kick off on Tuesday, and it won't be long before the Women do so too, with a home fixture against Everton on Sunday.

Some of our own "other" teams will be in attendance today, however, with the Academy players parading on the pitch at half time. At this stage last season Charlie had yet to play a National League game – let alone the likes of Dan Urpens, Adam Reeves, Ronny Ruiz, Noah Nzuzi and Klevis Muca who hold down first team registrations. Who amongst those parading this afternoon will become a regular face or make their debut this season?

Up the U's.

Garry Waddock became Wealdstone manager in February after seven years away from management, guiding the Stones to a comfortable mid-table finish last term.

A former Republic of Ireland international, Waddock began his playing career at Queens Park Rangers in 1979, making 203 appearances before spells with Charleroi, Millwall, Swindon Town, Bristol Rovers and Luton Town. He also earned 21 international caps for Republic of Ireland and narrowly missed out on their 1990 World Cup squad.

After retiring in 1998, Waddock moved into coaching, returning to QPR before managing Aldershot Town, Wycombe Wanderers and Oxford United, leading the former to promotion. He also coached at Barnet, Portsmouth, Southend, Cambridge and Walsall before returning to management with Wealdstone.

THE KEY

22 **Connor McAvoy** Defender

Connor McAvoy started his career at Fulham where he signed his first professional contract.

Despite spending six years as a pro at Fulham he failed to make a senior appearance as he was sent on various loans, and sadly suffered from injury. He had two loan spells in Scotland for Partick Thistle and Ayr United sandwiched by two separate loan spells with Wealdstone before signing permanently last summer.

The 24-year-old has led his side out as captain in all National League games this season in the absence of Jack Cook.

The defender has also represented Scotland at Youth level, qualifying through his Scottish father, playing for the Under 17, Under 18, Under 19 and Under 21 sides.

10 **Jayden Harris** Midfielder

26-year-old Jayden Harris is another Wealdstone player to be a product of the Fulham academy, as he also served his scholarship with the side and progressed through the youth ranks at the club, making over 100 appearances at Under 23 level.

Whilst with the Cottagers he went on loan to Aldershot Town before leaving permanently and signing for Carlisle United, where he was part of the squad that won promotion from League Two through the play-offs in 2022-23.

After spending the first half of the following season on loan at Eastleigh his contract was mutually terminated in 2024 and he then found his place with the U's, signing for us after our relegation from the EFL. He spent two years with us, making 79 appearances and scoring 12 goals, figures that would have been higher but for missing the second half of the 2024-25 season with a serious achilles injury.

He left us at the end of last season and joined Wealdstone during the summer.

14 Micah Obiero Forward

Micah Obiero spent the majority of his youth career at Huddersfield Town, and made his senior debut for the club as he came off the bench in a Championship game against Millwall. However this would be his only competitive appearance for the club as he was sent out on loan to Carlisle United and Halifax Town.

He then left Huddersfield in 2022 and joined Boston United on a permanent deal, but just three months after joining Boston he joined Wealdstone.

At the Stones he's really made an impact, making over 150 appearances and scoring over 30 goals, the most significant of which was the stoppage time winner in last season's FA Trophy semi final against Marine, with his first career hat trick following three days later against Hartlepool.

He's also now a fully fledged international, as he made his debut this summer for Kenya in a friendly against Lesotho. He has subsequently made another appearance bringing his present tally up to two.

HISTORIC RAMBLINGS

Written by Mark Frake.

For this season I will be reviewing a month that today's fixture falls in from a given year .

2021

Is it really five years ago already that SUFC was contemplating with some excitement a first season in the EFL? The excitement was tangible as Matt Gray stayed loyal to much of the National League title winning squad with new signings including midfielder Alistair Smith and forwards Richie Bennett and Enzo Boldewijn.

The whole of pre-season was played in the month of July, four victories accompanied by two defeats, the second of which, at Dartford, was, performance wise, disappointing. Off the pitch, well actually on it, the EFL's rule of no 3G surfaces resulted in an extensive summer programme to lay a new grass surface and the delay in finishing the considerable works resulted in U's first three EFL matches being played away.

Featured Match

7th August v Forest Green Rovers at The New Lawn

We start with a historic occasion, U's first match in the EFL. Sadly, neither the hosts nor the weather played ball. With the vast majority of the 335 travelling Sutton fans on that open terrace as the rain poured down throughout (total attendance 1,883), U's battled against one of the fancied EFL League Two sides. Sutton started well with David Ajiboye's pace causing FGR a number of problems. One Jordan Moore-Taylor was booked for bringing down Omar Bugiel as he looked to be in on goal but Harry Beautyman's resulting free kick sailed over. However, it was the hosts who took the lead when Matty Stevens looped a header over Dean Bouzanis from Nicky Caddens's fine delivery.

Sutton started the second half brightly with Donovan Wilson scoring but deemed to have fouled in the process but an even contest was levelled in the 69th minute when Bugiel powerfully headed home from Ajiboye's cross. Both sides had chances thereafter but with a first EFL point looking secure, in the first minute of added on time Ebou Adams headed a winning goal for FGR following a free-kick.

One other disappointing aspect of U's first EFL game was the lack of a programme, not even an online option. Therefore, just a rather scruffy and cheap team sheet had to suffice for such an occasion (for SUFC anyway); it didn't and still doesn't.

U's: Bouzanis, Barden, Milsom, John, Goodliffe, Eastmond, Ajiboye, Beautyman, Bugiel, Wilson (Bennett), Boldewijn (Korboa)

Three days later a trip to Championship club Cardiff City and their impressive stadium for Sutton's first EFL (Carabao) Cup match. U's pace upset the hosts and Wilson put United in front but City came back to lead 3-1, a late Coby Rowe goal giving U's some hope but 3-2 it finished.

August 14th brought a trip to Salford City. U's previous trips had not yielded a goal let alone a point but the latter was achieved in a 0-0 draw. The following Saturday a first trip to Scunthorpe and another point courtesy of a Wilson goal. Sutton, the better side, should have won.

So arrived Sutton's first home match in the EFL as Oldham Athletic visited GGL. A crowd of 3,262 saw U's very much in control but unable to add to Ajiboye's 62nd minute strike. In the 88th minute Carl Piergianni continued his fine goal scoring record against United with a headed goal. And in the sixth minute of added time, Oldham broke away and Junior Luamba netted with a low strike. A galling end to an otherwise fine afternoon both in terms of occasion and team performance.

Sutton ended the month by entertaining a Crystal Palace U21 squad in the EFL (Papa John's Trophy). An attendance of 1,504 saw U's record a comfortable 3-0 victory (Ricky Korboa, Alistair Smith and Tobi Sho-Silva) as a journey that would end in Wembley heartbreak commenced.

Sutton's start to their first EFL campaign had yet to yield a win. Three of the four matches played had been away, two draws and so nearly a third recorded. The home defeat to Oldham had been a smash and grab by the visitors, so it felt it would be only a matter of time before a first success would be registered. There was no match on 4th September due to a Covid outbreak at scheduled opponents Colchester, but a week later U's hosted Stevenage and two Richie Bennett goals secured a 2-1 win; SUFC had arrived in the EFL. August record P4 W0 D 2 L 2 F 3 A5

SUFC v Wealdstone

U's and 'Stones go back a long way, meeting each other for the first time in the 1928/29 season in the Athenian League. Sutton did the double that season, Wealdstone having to wait until 1936/37 to return the compliment. The two clubs met fifty-eight times in the AL United winning twenty-eight, 'Stones twenty.

The first Isthmian League encounters were in the 1964/5 season, Sutton winning at home and drawing away. That rivalry lasted just seven seasons as Wealdstone turned semi-pro and joined the Southern League for the 1971/2 season

and the two clubs didn't meet in league competition again until the 1986/87 term in the GMV Conference. Wealdstone's relegation restricted that cameo to just six matches, with both sides winning once at home and the other four drawn.

Sutton's relegation back to the Isthmian brought the two sides together in league football again for the 2008/9 campaign and since then we have met as Isthmians and at Conference/National League South and, as today, National League levels. Sutton's biggest win here was in February 1935, 7-1 in the Athenian League, Wealdstone's 5-2 in Feb '56. Matches between the two sides in recent years have often been decided by very late goals, particularly in the early years of Paul Doswell's time as Sutton manager. Last season U's squandered a two goal lead to lose 4-2 at Grosvenor Vale but were as comfortable as they ever were all season in the return at GGL with a 3-0 victory.

U's home record (league only) W23 D12 L11 F108 A72

Sutton's top goal scorer in league matches with Wealdstone is Basil Solly (right) who scored seven times during the 1930s.

We should welcome back Jayden Harris this afternoon. Others to have played for both clubs include goalkeepers Ken Addai and Alan Thomas and defenders Paul Benning, Tony McGuinness, Gerry Olson and Steve Smart. Midfielders include the late Steve Browne and John Wall. Attacking players Bernard Bryant, Steve Galloway, Dave Pearce and Simon Quail also wore the colours of both clubs. Alan Gane, of course, managed both clubs. Another name who also should be listed is 'keeper Chris Vagg, who will be watching from the stands. Enzo Boldewijn moved on from 'Stones in the summer, joining Bath City. Of U's current squad, Burundi international Omar Mussa was at Grosvenor Vale last season.

A BLAST FROM THE PAST

We pick a notable clash with Wealdstone from the U's 128-year history.

4-3

Saturday, 27th November 2010 | Borough Sports Ground

As mentioned on the previous page, games between the sides have often been decided by late goals and as our Isthmian League challenge was gathering pace in the 2010-11 season this late November clash proved no exception. It seemed as though Wealdstone were well on the way to inflicting our first home league defeat of the season when Alex Dyer scored twice in a six minute spell before the half hour mark. We pulled a goal back through an Andy Forbes header just before the break, but three minutes in to the second half a spectacular strike by Danny Spendlove, who the previous season had himself scored a last minute winner for the Stones in the meeting at Grosvenor Vale, restored Wealdstone's two goal advantage.

We were gifted a way back when a back pass from Stones' defender Elvis Hammond beat his own goalkeeper with just under half an hour to go, but it seemed as though our visitors would hold on until Simon Downer bundled in an 89th minute equaliser after a Craig Dundas header came back off the post, and in stoppage time a Darren Ebsworth corner was met by a thumping header from Sam Page (below) to spark scenes of delirium among U's fans who saw the lead at the top of the table extended to six points. Later in the season it would be Wealdstone's turn to strike in stoppage time as Lee Chappell's goal gave them a 2-1 win but it was insufficient to derail our title challenge.

Isthmian Youth Cup 1st Round

WALTON & HERSHAM 1 SUTTON UTD 2

We progressed to the second round of the Isthmian Youth Cup thanks to a fine late goal from Stiven Muca.

Sutton struck in the 18th minute when Harley Francis was on target, but Walton levelled just after the half hour and the second half failed to produce any goals and a penalty shoot out was beckoning until with two minutes left Muca, the younger brother of goalkeeper Klevis, curled a shot from the corner of the penalty area that found the top corner of the net and put U's in to the next round.

Sutton: Bacchus, N'Zi, Boon (sub Muca 65), San Norton, Boateng, Wadsworth, Grimes, Severini, Jenkins(sub Ansah 80), Francis, Pledge.

In the second round we will be away to East Grinstead Town, while our next game in the Isthmian Youth League is on Wednesday 10th September away to Camberley Town.

A reminder that we are competing in the Isthmian Youth League this season as we are no longer members of the EFL Youth Alliance so there will be no Saturday games for the academy side this season. Isthmian Youth League home games will be played at Banstead Athletic FC.

NATIONAL LEAGUE ACADEMY SOUTH STARTS THIS WEEK

We are still in the National League Academy South, though, having finished runners-up last season, and we begin this Wednesday, September 2nd, against Dorking Wanderers at Tooting & Mitcham FC which will be our home ground for games in the NLAS. Our next few games in that competition are:

Wed 9/9/26 v Boreham Wood (away)

Wed 23/9/26 v Forest Green Rovers (home)

Wed 7/10 v Wealdstone (away)

The Boreham Wood game is likely to be at Meadow Park, while the Wealdstone game should be at Brunel University, but we will have confirmation nearer the time.

SUFC WOMEN

A round-up of the latest news from the Women's section.

LEAGUE SEASON STARTS WITH A WIN

Sunday 23 August - AYLESFORD 1 SUTTON UNITED 2

Sutton shrugged off the concession of an early goal to claim all three points in the opening London & South East Counties League game of the season thanks to two second half goals from Emma Spear (below, taking on the home defence).

The home side went in front when U's defence failed to cut out a through ball and a striker who looked to have been offside went on to shoot low past Megan Taylor.

Georgia Heasman was denied by the goalkeeper, and then saw a shot cleared off the line with Sophie Modak shooting wide from the rebound, and early in the second half Spear volleyed a great chance wide at the far post. She soon made amends, though, cutting in from the left and sending in a shot which went under the keeper in to the net.

The winner came with fifteen minutes to go when pressure from Naomi Bradley won possession in the home penalty area and although her shot was saved she was able to force the rebound to Spear who shot home. Only a great save by the goalkeeper then denied Tessa Allen a spectacular goal as she pushed away a twenty yard shot destined for the top corner.

Team: Taylor, Allen, Modak, Burch-Waldron, Heavingham-Ford, Oliver, Spear, Rafique, Cutler, Heasman, Bradley.

Subs: Meehan, Clark, Adetunji, Baptiste, Gilbert-Lawal.

FORTHCOMING GAMES

Our run of away games to open the season continued at Ashford Town yesterday (a 5-5 draw - full details in the next programme), and we are then away to Eastbourne Borough next Sunday (kick off 3pm) and away to Bromley the following week (kick off 2pm).

SARAH'S CYCLE CHALLENGE BEGINS

Sutton supporter and HerGameToo representative Sarah Aitchison began her quest to cycle to all the women's away L&SECL games this season to raise money for the women's team. You can read Sarah's reasons for the challenge [here](#), and you can support her by:

- Making a one-off donation at gofund.me/6a63b6f5e
 - Sponsoring Sarah a set amount for every match completed – email at sarah.aitchison@suttonunited.net to set this up
 - Pledging an amount for every kilometre cycled – as above, pledges can be sent in by email. If you pledge 5p per kilometre, this gives a total donation of roughly £26.30 (with the proviso that this can change in either direction due to route adjustments!)
- No contribution is too small, and donations can be made at any point between now and the end of the season, and we will provide updates on Sarah's progress throughout the season.

UNDER 23s START NEXT WEEK

Our Under 23s will again be playing in the Surrey Premier Division of the South East Counties League this season, and their campaign begins next Sunday with an away game against Walton & Hersham at the Elmbridge Xcel Stadium, kick off 3pm.

FOUNDATION

SMALL STEPS, BIG DIFFERENCE.

One of the most important things we can do at the Sutton United Foundation is, quite simply, get people moving.

Being active is not just about football, winning games or becoming the best player you can be. It is about giving people the opportunity to move, have fun, meet others and feel part of something.

For some people, taking part in physical activity comes naturally. For others, there can be barriers – confidence, ability, cost, anxiety, health, or simply not feeling that traditional sport is something for them. That is where we believe community football and sport can make such a difference.

Across the Foundation, we see every week how powerful that first step can be. Whether it is a child kicking a ball for the first time, a young person finding confidence through a session, someone discovering walking football, or members of our community simply coming together to be active, every bit of movement matters.

Our aim is not to tell people how active they should be. It is to create opportunities that make being active accessible, enjoyable and achievable for everyone.

Football gives us a fantastic platform to do that, but our work goes far beyond the pitch. Through our community sessions, schools work, disability programmes, walking football, Nordic walking, wellbeing activities and a range of other projects, we want to help people find something that works for them.

Nordic Walking is a great example of an activity for people who may not enjoy

traditional sport or feel comfortable in a competitive environment.

It offers a gentle, social and accessible way to improve fitness, enjoy the outdoors and meet new people, while allowing participants to go at their own pace.

Because sometimes getting moving starts with something very small – getting out of the house, meeting a new person, having a kickabout, joining a Nordic walking session or simply deciding to give something a try.

And from those small steps, much bigger things can grow.

As we look ahead to another season of Foundation activity, our message is simple: get involved, get active, and get moving.

There is a place for everyone within our community, and we look forward to welcoming even more people through our doors over the coming season.

The Supporters Club committee is proud to announce a contribution of £100 towards the cost of three of the Sutton regular women's walking football players, Karen, Ellie and Sue. They have been selected to represent the WFA England Parkinson's Women's Walking Football Team. This September, they will travel to Toronto as part of a very special WFA England tour to Canada. The Supporters' Club wish them every success.

Pictured: Chair Andrew Jackson & committee member Lynn Jackson announce the contribution to the players.

The winner of the 50/50 prize draw from the Hartlepool match was Julian Crane. (below). His winning ticket earned him £160. The 50/50 tickets help raise funds to subsidise the coaches. Our thanks and gratitude go to our dedicated sellers. If you are able to help, please speak to someone in the Hub on matchdays.

Finally, let's get behind the lads today. Make some noise, wave those scarves, and show everyone what it means to be part of this club. Win, lose, or draw, we stand together.

Thank you for your continued support.

MATCH ACTION

First half goals from Temi Babalola and Emmanuel Osadebe sealed four wins from four for Sutton United, who took all three points from Hartlepool United with a statement win at the Borough Sports Ground.

Babalola broke the deadlock after 21 minutes with his first goal of the season, chasing down a long ball over the top from Dan Urpens to put enough pressure on Reiss McNally before getting the vital touch to knock it past Nathan Fisher and give his side the lead, before another Urpens assist saw his long throw loop into the box from the left-hand side, where Osadebe headed powerfully into the back of the net to double Sutton's lead.

The two-goal deficit wasn't held for long as Corey McKeown pulled one back after running down the left and placing his shot under Spike Brits before the break, but Sutton held their lead for the remaining 55 minutes of the game superbly with an especially good performance from academy graduate Urpens, who was named Man of the Match by match sponsors the Sutton United Foundation.

AROUND THE GROUNDS

Tony Dolbear rounds up the latest in the Enterprise National League.

The Enterprise National League saw three different leaders in the space of two days, with our win at Gateshead leaving us the only team with a 100% record after four games.

Going in to the first set of Bank Holiday fixtures Southend topped the table, our former striker Charley Kendall scoring the stoppage time goal at Solihull last Saturday that put them above us on goals scored, but they were usurped by Boreham Wood on Thursday as another former U, Matt Rush, scored twice in the last five minutes to clinch a 2-1 victory against Boston, who had led through a first half strike from Tom Cursons. Rush has now scored eight goals in the four games this season.

Southend had hopes of regaining top spot 24 hours later when they led Kidderminster at half time through Leon Chambers-Parillon's early goal, but the Roots Hall supporters were in for a shock as Harriers retaliated after the interval, Darren Oldaker deflecting a Ben Crompton shot in to his own net on the hour, Lewis Walker putting the visitors in front and Callum Stewart sealing the victory in stoppage time.

Harrogate's unbeaten record was blown away in the first half at Aldershot, with Tristan Abrahams scoring the division's second hat trick of the season (Matt Rush, incase anyone needed to ask) before the interval and giving Aldershot a commanding lead that was only slightly dented by Josh Hmami's debut goal.

That left Yeovil with the only unbeaten record outside the top two, but that looked unlikely going in to the last five minutes at Barrow, who led through Keaton Ward. Luke McCormick levelled from the penalty spot with three minutes to go and in stoppage time Joe Gubbins made the mammoth Friday night trip

worthwhile for the 84 Yeovil supporters and lifted them in to sixth place, above Harrogate.

The top seven is completed by Hornchurch, for whom Aaron Rowe scored the only goal of the game against Woking, and Eastleigh, another team who had a long trip north and won in stoppage time. On loan Gillingham midfielder Nelson Khumbeni scored for Matt Gray's team in the 97th minute after Hartlepool played the second half with ten men, Neo Eccleston sent off, leaving them with a second consecutive defeat.

The most exciting finish came at Tamworth, though, where our former midfielder Jack Wadham's first half goal for Worthing was cancelled out by Dan Creaney, only for Jose Marquez to restore the lead for the Sussex side in the 72nd minute. Wadham was then sent off, and followed in stoppage time by Dom Hutchinson for a handball that allowed Nathan Tshikuna to level from the penalty spot before Morgan Roberts gave Tamworth all three points in the 8th additional minute.

Our visitors today left it late to grab a point and puncture the mood on Carlisle's long trip home, a fine 90th minute free kick from Aaron Henry equalising David Ajiboye's first half goal.

Despite taking the lead through Jacob Wakeling, Solihull are still searching for their first point after Scunthorpe came back with three unanswered goals to record their first win of the season, and there was also a first win for Altrincham, who beat Halifax 2-1, Jimmy Knowles and Tom Crawford scoring before Matty Kosylo put through his own goal against his former club. Finally, two goals in three second half minutes from Harvey Broad gave Fylde a 2-0 win at home to Forest Green.

MATCH ACTION

Sutton came away from the long trip to Tyneside boasting the Enterprise National League's only 100% record as they overcame the dismissal of midfielder Noah Nzuzi with just over half an hour to go to grab a fourth win in four thanks to a towering header from Temi Babalola nine minutes from the end.

There was little between the sides throughout a scrappy and at times tetchy game, and there were moments in the first half when the prospect of the game finishing with 22 players on the pitch seemed unlikely, but things seemed to have calmed down before Nzuzi was sent off for what looked to be a head-butt on home defender Kyle Ferguson, leaving U's, who gave a first outing to their new lavender third strip, to play the last half hour with ten men at which point they would gladly have made the journey home with a point, but then Babalola muscled his way in to meet Emmanuel Osadebe's cross from the left with a header which went in off goalkeeper Pete Jameson and the bar.
