AMBER INSIGHT

vs FOREST GREEN ROVERS
Saturday 26th September | 3.00pmKO

WELCOME TO SUTTON UNITED FOOTBALL CLUB

Setting the Scene

Good afternoon and welcome to today's Enterprise National League game, and a welcome to everyone from Forest Green. They face us today with four players, including our former forward D'Mani Mellor, unavailable due to international call-ups. We will be missing Jermaine Francis for the same reason.

We have met Forest Green once this week already, at academy level on Wednesday. That game went our visitors' way (see the Academy page) so we hope today's game restores the balance. The spotlight returns to our Academy side on Monday night when they make the short trip to Cobham in the FA Youth Cup (7.45pm). It's a competition as important to them as the FA Cup is to the first team, with the hope of facing a Premier League side later in the competition, and all support would be welcome.

Tuesday's 2-0 win against Epsom put us in to the second round of the Surrey Senior Cup but with only Raynes Park Vale and Chertsey also through so far it may be a while before we know our next opponents.

We hope everyone enjoys today's game.

CHRIS'S COLUMN

CHRIS AGUTTER

HEAD COACH

A warm welcome back to Gander Green Lane for this afternoon's National League contest with Forest Green Rovers.

We were able to rotate in the week, rest players who needed a rest and top up the ones who needed a bit more. Now everyone's fit, ready to go and hungry. Hungry to get out there in front of our support again, hungry to try and put more points on the board and hungry to continue the positive start.

We're in the play-offs, above the likes of Forest Green and Carlisle. Yes, it's early days, but I always think that's a really good reference point. They're two big sides at this level that have got lofty ambitions, and we're sitting above them at the minute. So, again, that's a reflection of where we're at.

We welcome Robbie Savage and his players, staff and fans from Forest Green today. For me, they're the best watch in the league - high energy, enthusiastic, forward-thinking, forward-running, up-and-at-you, aggressive, sixth- or seventh-gear football. The fact that we're above them in the league reinforces what a good start we've made - if you're above Forest Green at this level, if you're above Carlisle, you're doing well.

They're a threat and a real handful. They've got very good individuals, pace, power and they're direct, but we back what we do. We are incredibly solid, we don't give much up and we're improving from an attacking perspective. We've got some serious gears to go through from an attacking perspective, and we're starting to find them in the last couple of weeks. We're going to look to build on really positive performances, improved performances, good results and a good start against, as I said, a very good Forest Green side.

TIM ALLISON
CHIEF OPERATING OFFICER

Once again it's a pleasure to welcome supporters and club officials from Forest Green Rovers back to the Borough Sports Ground. A name from the past that always conjured up a "big" non-league club, and subsequently one that made it to (and for a while thrived in) the Football League. Something I never thought my club would do. Well history has a funny way of being wrong, and the present, and future, has an equally funny way of bringing about the unthinkable.

For many of our newer fans FGR however will be remembered as our first opponents in the Football League. Many were there – many more will claim they were no doubt – and a mini-heartbreak it was as the clouds burst and our first point was snatched away from us in the gloom. A few of the players lining up that day are still involved in the game. I'm sure one probably wasn't thinking five years later he would be part of the opposition squad though. Such is football.

Indeed there are many that have played for both teams, both recently and back in the past. Some of them get mentioned elsewhere in this programme but for me when I hear the two phrases “FGR club legend”, and “Dale”, much though I have enjoyed past meetings with Mr Vince in our respective boardrooms, it is Mr Bennett of this parish that always springs to mind.

We come to this game re-energised from our earlier September wobble, and the score against Eastleigh wasn’t a true reflection of our dominance in my opinion. Similarly the first half display at Halifax wasn’t one of a team either at 0-0 or scraping an equaliser with the last kick of the game. I thought it last season too, but especially this, one day we will wallop someone. It would be nice to think the 4-0 home winning lesson we suffered as the visitors last year at around this stage of the season could be repeated in our favour today. Let’s see.

Those who really know me though, will know really I don’t want to be talking about FGR, or Eastleigh, or Halifax today. These notes should be dedicated to my favourite competition, and our latest win. On Tuesday evening, with a stronger than often squad, we vanquished our opponents in the Surrey Senior Cup. Proper grassroots knockout football. The stuff my early beginnings as a fan here were made of. Aggy will, rightly, admire the clean sheet, and the determination and character in overcoming lower league opposition (the equivalent of us playing a Premier League team!), but for me it’s the cracks in the pitch, the dusty surface as hard as concrete and the random bounces, both in height and direction, that make cup football the ultimate leveller. Penalties avoided, and through to the next round (before which of course we will be wishing the opposite for our rivals Woking!).

Unfortunately it isn’t to be for our women in their version of the FA Cup. Last season’s epic run, the best in the Club’s history, was followed by an early exit – and at the hands of local rivals Bromley too. We move on. Their focus is now on the league campaign, with cup fervour reserved for the FA Youth Cup, which for us begins at Cobham this Monday, and the FA Challenge Cup when we enter at the 4th qualifying round stage in October.

Across the off-field the pavilion continues its (slower than anticipated) progress. The application to (re)join the EFL is being worked on. Along with a dozen other workstreams occupying my time and inbox. It’s not all having fun and games at Chessington!

Up the U’s.

Robbie Savage joined Forest Green Rovers ahead of the 2025/26 season, rebuilding the squad with hopes of promotion. Rovers finished seventh, securing a play-off place, but were eliminated by Boreham Wood after Zak Brunt's extra-time winner. Savage previously managed Macclesfield, guiding them to the Northern Premier League title before moving to Forest Green alongside Laurent Mendy, Neil Kengni and Tre Pemberton. As a player, Savage represented Crewe Alexandra, Leicester City, Birmingham City, Blackburn Rovers, Derby County and Brighton after progressing through Manchester United's youth system. He also earned 39 caps for Wales, scoring twice before retiring internationally in 2005.

Jayden Clarke
Midfielder

Jayden Clarke joined Forest Green Rovers in the summer of 2025 following his departure from League Two side Gillingham. The versatile attacker began his career in Tottenham Hotspur's academy before entering non-league football with Bedfont Sports and later Hendon, where he scored 11 goals in 63 appearances and won the club's Young Player of the Year award.

Clarke moved to Dulwich Hamlet in 2022 and impressed in National League South, earning a move into professional football with Gillingham in January 2023. He made his Football League debut against Bradford City before establishing himself more regularly at Priestfield. His best campaign came in 2024/25, scoring seven League Two goals as he finished as Gillingham's leading scorer.

Forest Green signed Clarke on a free transfer in July 2025. A quick and dynamic wide player, he offers goals, creativity and versatility across the attacking positions.

20

Sean Etaluku

Midfielder

Sean Etaluku joined Forest Green Rovers from Macclesfield in October 2025, reuniting with manager Robbie Savage after impressing under him with the Silkmen.

The pacey winger began his career in Burnley's academy, spending nine years with the Clarets before leaving in 2022.

Etaluku moved into non-league football with Mossley before earning a return to the professional game with League Two side Barrow in 2023.

He made his Football League debut against Stockport County and later gained further experience during loan spells with Buxton and Matlock Town.

In November 2024, Etaluku joined Macclesfield permanently and became an important player as the club secured promotion from the Northern Premier League Premier Division.

His performances earned him the division's Young Player of the Year award for the 2024/25 campaign. Etaluku later followed Savage to Forest Green, adding pace, direct running and attacking threat from the wide areas to the Rovers squad.

7

Kyle McAllister

Midfielder

Scottish attacker Kyle McAllister has been one of Forest Green's standout performers since joining the club in 2022. He began his career in the youth systems at Rangers and St Mirren, breaking into the latter's first team during the 2016/17 season before earning a move to Derby County.

Injuries disrupted his time at Derby, leading to a loan return to St Mirren, where he later signed permanently. After spending the second half of the 2021/22 campaign on loan at Partick Thistle, McAllister was released and subsequently joined Forest Green.

He has since scored 31 goals in 174 appearances, with his best campaign coming last season, when he netted 15 league goals and provided six assists.

He also scored in a thrilling 4-3 FA Cup defeat at Luton Town. Dangerous cutting inside onto his left foot, McAllister offers both goals and creativity, making him an important player in Robbie Savage's attacking side.

HISTORIC RAMBLINGS

Written by Mark Frake.

For this season I will be reviewing a month that today's fixture falls in from a given year .

1956

During the summer Sutton had appointed George Smith (right) as manager, taking over from Ron Gunner who had been in temporary charge for the latter half of the 1955/56 season. Smith had been Joe Mercer's assistant at Sheffield United the previous season; however, he lived in Norbury and had failed to settle in the north. An FA coach, he had coached the England youth team as well as holding posts at Eastbourne United and Redhill.

Meanwhile, skipper Don Stoker had toured Iceland with an England squad, gaining his second full amateur cap. Off the pitch, U's had decided to run four teams, adding another to the existing three.

On the ground, the terracing next to the main GGL entrance was taking shape although the concrete terrace would not be added for some years (it looks so much better since its summer jet wash).

Three Athenian League matches in August had brought two wins before a 6-2 reverse at Hendon somewhat dampened that early optimism.

The September fixtures commenced on the first day of the month as U's were held 0-0 by Leyton at GGL. Four days later Hayes visited Sutton in the AL for a Wednesday evening 6pm k.o. Bill Halford and Don Stoker from a penalty scored but United conceded four and those two wins - early successes against Barnet and at Southall - seemed a distant memory.

The second Saturday of the month saw the club's entrance into the FA Cup; it lasted just that one afternoon as U's went out to Erith & Belvedere by 4-3 in the first qualifying round. Missed chances cost Sutton as they lost to struggling Corinthian League hosts. The following Wednesday evening, U's hosted local rivals Tooting & Mitcham United in the South of the Thames Cup first round. The Terrors were playing their first season in the Isthmian League. The match ended 2-2 and the replay, won by Sutton, would not be played until the following April.

15th September v Alexandra Park, London Senior Cup 1st qualifying round at GGL

On the day my elder brother was born, Sutton found themselves having to go through qualifying in the LSC, such was their poor record in the competition. In recent seasons Alex had won the AFA Senior Cup and the Southern Amateur League but they would prove little in the way of an obstacle to halt U's progress.

However, the match started badly for the hosts as within thirty seconds of the whistle, Leary had fired past Wally Pearson in the Sutton goal. This success gave AP a boost and they showed much spirit for the first fifteen minutes, but U's finally drew level in the 24th minute when Stoker advanced to fire a shot into the net from all of thirty yards.

Park commenced the second half by forcing Pearson into a save but from there U's took over. In the 51st minute Vic Honey finished off after Chris Kelleher had seen a shot come off the crossbar. Twelve minutes later Tony Sly scored his only goal for Sutton from a Tommy Court cross.

The visiting ‘keeper, Tillcock, pulled off a string of fine saves before Court headed in from close range (75). And he followed this up with a 20 yard drive two minutes later. Four minutes from the end John Venables scored his last goal for the club, his shot squeezing through Tillcock and his defensive colleague Martinez. Final score 6-1.

U’s: Pearson, Speight, Newland, Venables, Stoker, Walker, Court, Kelleher, Halford, Sly, Honey

A week later, U’s travelled to Lower Mead for an AL fixture with Wealdstone. Both sides sat in the bottom half of the table but United pushed themselves up the rankings with a 1-0 success (Court).

The following Saturday, home league form again deserted them as second placed Hounslow consolidated their position behind leaders Hayes with a 4-1 victory. This left SUFC ninth in an AL table consisting of fifteen clubs.

September record (league only) P4 W1 D1 L 2 F4 A8

The LSC run ended in the first round proper, a 3-0 defeat at Finchley. The SoTC ended for Sutton in the final competitive match of the season, another 3-0 reverse this time at Wimbledon in the semi-final. Smith’s first season in charge saw U’s end the season eleventh in the table; his second would be a whole lot better.

SUFC v Forest Green Rovers

The two clubs have met both at GM Vauxhall Conference/National League and EFL level. The 4-0 defeat for U’s at The New Lawn in August 2025 is U’s heaviest league reverse in these matches. In fact, that was FGR’s first home win at this level against Sutton, U’s winning 2-1 in December 1999 and drawing 1-1 in August 2016.

In League Two United lost to a late goal in August 2021 (2-1), the club’s first match in the EFL but won thanks to a superb Josh Coley strike in March 2024 as both clubs fought unsuccessfully to retain their EFL status.

At GGL, Sutton completed a GMVC “double” winning 3-2 in April 2000 in what proved to be U’s last win at this level for over sixteen years (see next page) as the club was relegated at the end of the season. The next GMVC/NL fixture here in 2016-17 ended in a 2-1 win for Rovers as they edged closer to promotion (via the play-offs).

In February 2022 the two sides shared the League Two points in a 1-1 draw, with Rovers promoted to League One that season. Last season, the match here finished 1-1 with ten man FGR (the result of a controversial second yellow card for Ricardo Rees) conceding a late Jayden Harris goal (below) having led through a McAllister penalty, Callum Tripp on debut the offender.

Three cup ties have been played. The two at GGL finished as home wins as U’s went onto the FA Trophy semi-final in 2000 and more famously the FA Cup 5th round in 2017. Sutton lost 4-0 in the Trophy at The Lawn in 2004.

U’s record (league only) at GGL W1 D2 L3 F7 A9
Top scorer for Sutton against FGR is Mark Watson with three goals.

Players to have represented both clubs include defenders Dale Bennett and Charlie Clough, attacking wing-back Dan Wishart and scorer of Sutton’s first EFL goal in the match mentioned earlier, Omar Bugiel. Of the current Sutton squad Jordan Moore-Taylor also featured in that game and had been at The New Lawn for six years prior to his summer move to Sutton, while Forest Green’s Omari Patrick and D’Mani Mellor have both played for Sutton, although the latter is unavailable today having been called up for international duty by Yemen.

A BLAST FROM THE PAST

We pick a notable clash with Forest Green from the U's 128-year history.

3-2

Tuesday 11th April 2000 | Borough Sports Ground

Sutton and Forest Green hadn't met prior to the 1999-2000 season, but following our promotion to the Nationwide Conference in 1999 we became very well acquainted over the next nine months. Our first away game of the season saw the floodlights at The Lawn fail when we were 2-1 up at half time, and we eventually returned in the middle of December to repeat that scoreline in a game where both sides finished with ten men. We were then drawn to meet here in the fourth round of the FA Trophy, and again both teams had a player sent off as we progressed 3-0 en route to the semi final.

This fourth meeting, played in heavy rain, was a key relegation battle in mid-April, with Forest Green, in their second Conference season, outside the drop zone only on goal difference while we were six points adrift at the bottom and having to set aside thoughts of the coming Saturday's FA Trophy semi final at Kingstonian. Forest Green had former England and Aston Villa winger Tony Daley in their line-up, and he provided a superb cross for Frankie Bennett to volley the visitors in to a 27th minute lead, but before half time we had turned the game around with two goals in two minutes as Mark Watson (pictured, at Boreham Wood) converted a Dave Harlow cross with a diving header and Ed Hutchinson then combined with Watson before hitting a shot that deflected off a defender to loop over goalkeeper Justin Shuttlewood in to the net.

Shuttlewood was in fine form in the second half with saves from Watson and Sammy Winston, and his efforts seemed to have been rewarded when Bennett and Daley linked on the right and Bennett's cross was turned in by Paul Hunt. However with nine minutes left a defender's slip allowed a Richard Skelly cross to reach Scott Forrester, and the young striker, like Hutchinson a graduate of our youth team, volleyed across goal for Watson to turn in the winner.

These were to be the last points we picked up in the season as a run of seven consecutive defeats saw us finish bottom of the table, twelve points adrift, and return to the Isthmian League, while the semi final at Kingstonian also brought disappointment. Forest Green escaped the drop on goal difference above Welling.

ACADEMY

A round-up of the latest academy news as the Academy South Division programme begins with a draw.

Wednesday 23 September, National League Academy South
SUTTON UNITED 0 FOREST GREEN ROVERS 3

We suffered a first National League Academy South defeat of the season on Wednesday, never recovering from conceding two soft goals in the first 25 minutes of the game.

The first followed a bright start by Sutton and came from a long ball over the top, U's defence waiting for an offside decision that didn't come, and a cross from the right being turned in, and the second when Lewis Bullen, who had moments earlier made a good save, cleared the ball straight to an opponent who lifted it back over him.

Frankie Humphries had a header cleared off the line early in the second half, with his follow up effort also blocked, and Forest Green put the game beyond reach with a third goal in the 65th minute, a shot after a good run beating Bullen at his near post.

The closest Sutton came was a late Tae Bamidele effort which was saved by the goalkeeper's legs.

Team: Bullen, San Norton, Humphries, Buburuzan(Ozuli 71), Muwana, Boateng, Bamidele, Severini(Jenkins 71), Iworh(Arthur 30), Schipper(Katana 30), Grimes(Sorae 69).

We take a break from league action next week as we start our FA Youth Cup campaign away to Cobham. The game is on Monday at Cobham's Reg Madgwick Stadium, kick off 7.45pm. The next Academy South game is at Wealdstone on 7 October.

They have a home game on Wednesday week, 7 October, against AFC Greenwich Borough at Imperial Fields, kick off 2pm.

We went out of the Isthmian Youth Cup at East Grinstead on Monday, losing 3-1, with Archie Smart equalising the home side's opener but East Grinstead going back in front before half time and adding a third in the second half. Our next game in the Isthmian Youth league is at home to Camberley on Wednesday 14 October - further details in the next programme.

SUFC WOMEN

A round-up of the latest news from the Women's section.

Wednesday 16 September - Isthmian League Cup 1st Round
CRAY WANDERERS 1 SUTTON UNITED 1
Cray won 6-5 on penalties

Our Isthmian League Cup hopes ended at the first hurdle after a penalty shoot out at Flamingo Park. Cray went ahead in the 11th minute with a well taken goal by Olivia Climpson, netting from a tight angle after beating Megan Taylor to a through ball, but we missed several chances to equalise in the first half, going closest when Millie Cutler hit the outside of the post after being set up by Emma Spear.

The second half saw Spear blast one good opportunity over, but we looked set to pay for failing to make the most of several free kicks and corners until, in the tenth minute of stoppage time, Ella Meehan sent in a free kick from just inside the Cray half that was misjudged by the home keeper and ended up in the net.

Taylor saved Cray's first penalty only for Spear to see her effort also saved, and after eleven successful penalties Charlotte Crook's shot was kept out by the keeper to send Cray through.

Sutton: Taylor, Modak, Meehan, Crook, Heavingham-Ford, Rafique(Adetunji 58), Spear, Bradley, Cutler (Gilbert-Lawal 58), Baptiste(Burch-Waldron 58), Clark(Durrant 71). Sub n/u Davies

Sunday 20 September - Adobe Women's FA Cup 2ND Round
BROMLEY 3 SUTTON UNITED 2

There was FA Cup disappointment last Sunday as Bromley struck a winner in the second minute of stoppage time to follow up their league win against us a week earlier.

Naomi Bradley put us in front in the 19th minute when she was put through on the left and pulled the ball back for Emily Oliver, and although Oliver couldn't get a shot away the ball ran back to Bradley who hammered it high in to the net.

After Megan Taylor had made a fine save to tip a shot on to the bar Bromley equalised when Chana Hinds scrambled in a free kick, and early in the second half Beth Hull went through to shoot past Taylor from the edge of the area.

Within five minutes we were level as Emma Spear beat her defender on the outside and crashed a shot in to the top far corner (below, photo by Simon Spear), and Spear almost put us in front with another fierce shot from the edge of the penalty area which was well saved, and then produced a run and cross which Millie Cutler sent over the bar from close range.

When it came, the winner came at the other end as Charlotte Lee's shot from Mia Espinosa's cross deflected off Tessa Allen in to the net to end our FA Cup hopes for the season.

Sutton: Taylor, Modak, Meehan, Allen, Heavingham-Ford, Oliver, Spear(Baptiste 88), Burch-Waldron (Adetunji 70), Gilbert-Lawal(Cutler 73), Bradley, Clark(Rafique 88).

Congratulations to Hannah Baptiste who was making her 50th Sutton appearance in the game. Tomorrow we play our first home league game of the season against Millwall Lionesses at the David Weir, kick off 2pm.

Our **Under 23s** suffered a first defeat of the season last Sunday 1-0 at Manorcroft United, and tomorrow visit Chessington & Hook United, who like Manorcroft have won both their first two games (2pm - Chalky Lane)

FOUNDATION

MORE THAN A FOOTBALL SESSION.

When people think about football, it is easy to think about the game itself – the goals, the results, the excitement of matchday and everything that happens across 90 minutes. But at the Sutton United Foundation, we know that football can be about so much more. For many of the people who take part in our programmes each week, the football is just the starting point. It is a reason to get out of the house, meet new people, make friends, learn something new and become part of a community.

Across the Foundation, we see this every week. Our Everybody football sessions provide an opportunity for participants to stay active while enjoying time with others who understand their experiences. Our walking football sessions bring people together through a shared love of the game, while our disability football programmes create opportunities for young people and adults of different abilities to play, socialise and enjoy being part of a team. For younger people, our community and youth programmes can provide something equally important – somewhere positive to go. Whether it is football on a local estate, an evening session at a community centre, Youth Darts or one of our school programmes, we want to create safe and welcoming environments where young people can develop skills, build confidence and form positive relationships.

We also see the importance of this through our girls' football section. Providing girls with opportunities to play football is not simply about developing footballers. It is about creating environments where they can express themselves, build resilience, develop confidence and enjoy being part of something. We want every participant to feel that they have a place within football, regardless of their ability, experience or background.

Sometimes, the biggest impact of a session isn't measured by how many goals were scored or how well somebody played. It might be the person who arrived feeling nervous but left with a smile, someone who has made a new friend, a young person who has discovered a skill they didn't know they had, or simply someone who now has something in their week that they genuinely look forward to. These moments may seem small, but they can make a significant difference to someone's confidence, wellbeing and sense of belonging.

That is why the Foundation is so passionate about making football and our wider programmes accessible to as many people as possible across our community. We want people to feel that there is a place for them, whatever their age, ability or experience. Football has a unique ability to bring people together. It gives us something to share, something to talk about and, most importantly, somewhere to belong.

So while today's game is about what happens on the pitch, we hope that everyone who comes through the gates also recognises the wider role Sutton United can play within our community. Because sometimes, a football session is about much more than football. It is about people, friendships, confidence and belonging. That is what being part of the Sutton United Foundation is all about.

MATCH ACTION

It may not have been particularly pretty, but Sutton came through an evening that threatened frustration to progress to the second round of the Surrey Senior Cup.

On a difficult surface and against Combined Counties League opponents who worked hard to deny U's space when they attacked, Sutton had struggled to create any clear chances of note and survived a huge scare midway through the second half when Epsom's Oba Akinniranye missed the best chance for either side at that point.

However, two goals in three minutes from David Ogbonna and Dan Urpens, the latter registering his first senior goal for the club albeit with the help of a heavy deflection, settled the nerves and smoothed U's passage to the next round.

AROUND THE GROUNDS

Louis Massingham-Rowell rounds up the latest in the Enterprise National League.

The ninth gameweek of the National League season brought the division's first managerial change.

After his appointment at the start of the season, Lee Clark's tenure at Hartlepool United lasted as many games as his spell at Rotherham United in League One last season. The 53-year-old stepped down less than twenty minutes after a 3-1 home defeat to Worthing in one of the early kick-offs last weekend. Goals from Cory Adjetey-Brew, Ricky Aguiar and Jose Marquez secured back-to-back wins for the Rebels, with the latter being recalled by our visitors ahead of today's fixture. Clark's departure comes after six defeats in seven games and leaves the North East side 19th in the division.

League leaders Boreham Wood maintained their unbeaten start to the campaign with a 4-1 home victory against Harrogate Town. Despite falling behind to a Bailey Hobson strike in the ninth minute, the Wood scored two goals in either half to secure their seventh win of the season. Ben Whitfield's strike was the pick of the bunch, with a Van Persie-esque volley to put the cherry on the cake. It is the fourth time this season that Luke Garrard's side have come from behind to win, and they are three points clear at the top ahead of Southend United.

The Shrimpers secured a comfortable 6-1 win in the North East at Gateshead. The Essex side scored six first-half goals for the first time in the club's history and made the Heed pay for poor defending throughout. Sam Austin's hat-trick was another blow for Gateshead boss Lee Cattermole, whose side have scored three goals and lost six of their last seven games.

Kidderminster Harriers sit third with eighteen points from nine games. Paul Wotton's side extended their unbeaten run to eight games in a 0-0 draw at Woking. Harriers moved into the top three at the expense of fellow promoted side, AFC Fylde, who lost 2-1 at home to Altrincham. All three goals were in the space of five first-half minutes, with Kane Hemmings and Matty Kosylo scoring either side of Tom Whelan's second goal in as many games for the Coasters. The victory for Alty was their fifth 2-1 win in their last six games and ended Fylde's 17-game unbeaten run at home, which stretched back to 22nd November 2025 when they lost 2-1 to Buxton.

Yeovil Town sit in 7th after their 4-1 home win against Solihull Moors last Friday despite star man Luke McCormick's omission from the matchday squad. Goals from Ryan Jones, Slavi Spasov and a brace from substitute Johl Powell brought Moors back down to earth after their only win of the season the week before.

Two sides expected to do well at the start of the season suffered 1-0 defeats on the road as Carlisle United and Scunthorpe United fell to defeat at Eastleigh and Hornchurch respectively. Aaron Blair's goal a minute before half-time was enough for Matt Gray's side to secure victory and remain unbeaten at home so far this season, with the joint-best home record in the division alongside Kidderminster. Scunthorpe's defeat at Hornchurch came in the late kick-off and was settled by a Ryan Inniss goal midway through the second half. The victory was Hornchurch's first in four games and the goal their first of September. The defeat means that Andy Butler's side find themselves in the relegation zone with four defeats from their previous five games.

Today's visitors lost 3-1 to Boston last weekend, their third home defeat of the season. Ironically, Boston inflicted Rovers' third home defeat last season on 24th of February. The game burst into life with two goals in the opening three minutes, with goals from Tom Cursons and Jayden Clarke. Robbie Savage's side were punished for missing numerous chances as Tom Cursons added a second from the penalty spot before Lennon Wheeldon was given the freedom of the penalty area to secure the three points.

Barrow's 1-0 win against Aldershot secured their first back-to-back home wins since 2024. Rekeem Harper's second-half goal lifted them out of the relegation zone, and they will want to pick up their first win on the road at Southend today. Tamworth hosted Wealdstone in Saturday's other early kick-off, with both sides looking for a win to pull away from the relegation zone. Olufela Olomola gave the West London side a 1-0 lead going into half-time, but a second-half red card for Stones defender Connor McAvoy changed the game. Nathan Tshikuna's resulting penalty and Jake Hutchinson's 97th-minute goal secured the win for the Lambs and gave them seven points from their last three home games. Andy Peaks' side have scored four injury-time goals, securing the Staffordshire side six points this season.

MATCH ACTION

A game that looked destined to finish goalless had a sting in the tale as Halifax thought they had won it in stoppage time only for Sutton to go straight up the other end and equalise.

There were few clear cut chances, with Halifax going closest in the first half when Brits saved well to his right from Tollitt's header, and Nightingale then blocked a goalbound shot from Hugill in the six yard box.

At the other end Carter saw his attempt to squeeze the ball between Grant and his near post foiled, while the keeper touched over Babalola's shot from a Brookes free kick.

Neither side could make the breakthrough for much of the second half, Brits saving comfortably from Trusty and Grant shovelling wide a shot from Bell, but then in the fourth minute of stoppage time Bardell headed a Gilsenan free kick goalwards and Nightingale's attempted headed clearance looped in to the net. Straight from the kick off, though, Carter headed back Taylor's cross and Ogbonna forced in the equaliser (above)

FC Halifax Town	1	Nightingale og (90+4)
Sutton United	1	Ogbonna (90+5)

Sutton: Brits, Urpens, Brookes (Topallaj 49), Kirk, Nightingale, Knight(Bell 76), Osadebe, Taylor, Babalola, Carter, Njoku(Ogbonna 60). Subs n/u Byron, Francis, Amartey, Haigh.
