WELCOME TO SUTTON UNITED FOOTBALL CLUB

Setting the Scene

The National League Cup competition enters the second half of the group stage for most teams this evening, and it is our pleasure to welcome everyone from West Bromwich Albion. While we understand that most Albion supporters will be concentrating more on events at Wrexham tonight, we do welcome those who maybe are London based and thought this the easier of the two journeys while being able to keep an eye on what is happening in North Wales, although we are 45 minutes ahead of that game.

After our varying fortunes from the penalty spot in the previous two games it's fair to think that we probably need to win both our remaining games, and without the need for penalties, to make progress to the knock out stages.

On Saturday we enter the FA Cup hoping as always for a decent run in the competition, but we have been handed a tricky tie against one of the National League South's in-form teams and so we hope you will be out in force to try and help us through.

Enjoy tonight's game.

CHRIS'S COLUMN

CHRIS AGUTTER

HEAD COACH

A warm welcome back to all of tonight's attendees, another game under the lights at Gander Green Lane is always a great opportunity.

Tonight we aim to build on our solid start in this competition, we've really given both Leicester and Birmingham a hard time in our opening two games and we should be sitting here with six points rather than three, but our finishing has been wasteful, which like in the National League campaign has led to dropped points when performances have warranted maximum returns.

We look forward to getting back out there, building on an excellent performance against the league leaders on Friday, and kick-starting our October.

TIM ALLISON
CHIEF OPERATING OFFICER

We are only just into October and already we are a quarter of the way through the league season, and after tonight three quarters of the way through the league round of the National League Cup competition.

Maybe fewer than half of the clubs that entered will after tonight have a chance to progress further from being in the top two at the conclusion of the final match. Having beaten Leicester City on penalties, but slipped to a defeat, also on penalties, from a winning position with only a few minutes to go against Birmingham, you feel we have to win tonight to be in a realistic chance of progressing. I am sure nobody wants the Southampton match to be a dead rubber, nor should we want to wait another year to better our performance in the competition's inaugural season.

One thing I am hoping for tonight is a boosted crowd compared with the first two group matches. One of the impressive features of our first season in the National League Cup was the large crowds – certainly in comparison to other clubs that entered. We have used these matches as a way of building relationships with our local schools but with the cup starting in August this season, before the schools went back, that affected our crowd. I am sure there will be a greater attendance and atmosphere tonight. If it is your first visit I hope you have a wonderful time. Do come back! Do tell your friends!

Up the U's.

Tim Allison

IN FOCUS:

Founded: 1878
Nickname: The Baggies
Manager: Leigh Downing
Top Scorer: Jack Bray (3)

Pos:	Form:	Points:

Leigh Downing was once a scholar with the Baggies, but now he helps develop the current scholars. A former academy player himself Downing once gained his scholarship with West Brom but his career didn't plan out quite how he would have wanted it to. He signed professionally with the club in 2005 but just eight years later in 2013 he retired from his playing career, which had involved various non-league sides after his departure from the Baggies.

He jumped straight into coaching after retiring, spending the past thirteen years of his life as a coach at West Brom. In 2010 whilst still playing Downing started to develop the club's Futsal initiative and this gave him the platform to climb the coaching ladder to where he is now.

Downing had gained the credentials for this job after spending three years managing the Under 18 side, leading them to a very respectable quarter-final place in the FA Youth Cup. He's spent a full season in his current role and will be hoping to continue to help the up-and-coming generation push their way into the first team.

Leigh Downing

MEET THE MANAGER

THE KEY

Noah DuPont
Defender

Noah DuPont is a key defender for West Brom's Under 21 side. He first started to make a name for himself playing an age group above his level, being selected to play for the Under 18s whilst just being 16 years old.

His impressive performances led him to be called up to play for his native New Zealand's youth setup and he competed in the Under 17 World Cup in 2023.

DuPont leads the Baggies defence and is a natural born defender who'll be sure to try and stop the Sutton attack in their tracks this week.

Rio Parmar
Midfielder

Rio Parmar is an extremely talented attacking midfielder who constantly looks to make things happen.

A key contributor to the Baggies' exceptional FA Youth Cup run two seasons ago, Parmar signed a two year deal following that run and consistently looks to improve his creative output.

Besides his technical ability Parmar's strengths also lie in his stature as his height and physicality adds a completely different layer to his game.

Parmar has also featured all across the front line further showing his incredible versatility.

His flair, dribbling, creativity and goalscoring ability really makes him a threat and someone we need to keep a close eye on this week.

Remar McNeil
Forward

Remar McNeil is an exciting young winger who's making a name for himself in the West Brom academy.

Joining the club aged six McNeil has taken every opportunity he's got with both hands, consistently playing above his age group and always performing, and enjoying an extended run in the PL2 squad in the second half of last season.

He has two goals so far this season including the equalising goal in their last game.

A player who can operate off both wings, McNeil is someone who can beat his man one on one or make devastating runs in behind, making the young winger a real threat.

CUP TIES IN OCTOBER

It would be impossible to cover U's FA Cup history in this month, it would require the publishing of a book, so here I visit U's Amateur Cup matches during October.

We go back all the way to U's first season as a senior club, 1910/11. The club's first entry to the AC saw it avoid the first stage but go down 1-0 to fellow South Suburban League (West) side, Redhill by 1-0.

Featured Match
21st October 1911, 2nd qualifying round v East Grinstead Town at London Road

Once again U's were saved from the first stage of the competition and landed a home draw against East Grinstead Town, then of the Mid Sussex League. The London Road ground boasted a "plantation" on its southern border and this limited the effect of the near gale that was blowing. For the first ten minutes, J Chalwin had to play in goal as Worrall was late arriving. East Grinstead produced the early attacking football but late in the half following a siege on the Grinstead goal, S Jackson was able to direct a header into the net.

Early in the second half East Grinstead struck the woodwork and by now it had become a little like a basketball game with both sides attacking, defending then attacking again. A cross by T Bateman found F Harding and his hooked effort lacked pace but still found the net. And it was Harding who confirmed Sutton's first win in the Amateur Cup when the visiting 'keeper missed Jackson's low cross for the U's inside right to steer home his second goal. In the next round, Redhill again ended Sutton's interest in the competition.
U's: Worrall, Chalwin, Brown, Baker, R Collins, Amos, Bateman, Harding, Jackson, Bignell, Waterfall

The following season, U's were paired with the Guards Depot in the 2nd qualifying round. The Guards had already ended Sutton's FA Cup involvement and this tie ended 3-3 at Sutton (J Weaver 2, S Jackson) and the replay at Caterham ended in a 5-0 defeat.

U's last entry into the AC before WWI was in the 1st qualifying round and provided a home draw with Metrogas, home now being The Find in Grove Road. It was really just a rough sloping piece of land with a football pitch marked on it. The visitors had a good pedigree back then but U's pushed them before losing to the only goal.

Sutton's first AC tie after the Great War was in 1919 at The Adult Ground which of course is the club's current home. Aquarius, the London Water Company works' team were the opponents and they won this 2nd qualifying round tie by 4-3.

A new decade and U's first match in the AC was a 2-0 success at Burberry Athletic before a 3rd qualifying exit at Old Kingstonians, 1-0.

The 1921/22 season was the club's first in the Athenian League but this promotion in level of football still meant a 2nd qualifying round entry in the AC. Earlsfield Town were the visitors and the match finished 1-1 aet. The replay saw U's win by 2-0 (Bond and A Finn) and they would go on to enter the competition proper for the first time, losing at St Albans City 3-2 in December 1921.

Having reached the first round, perhaps bizarrely Sutton were back in the 1st qualifying round the following season and after a 1-1 draw at the Adult Ground, U's were thrashed 4-0 in the replay by neighbours Carshalton Athletic. And another 1QR exit the following season to Leyland Motors (Kingston based and not to be confused with the Lancashire club) in a replay, 3-1 after a 2-2 draw. The initial replay was abandoned in extra-time because of the light.

1924 and a 1QR tie with Southern Railway played at The Nest (right), the location of which is now part of the railway intersection around Selhurst. Arthur Hance missed a penalty but U's prevailed by 3-1.

A couple of weeks later, U's made the short trip across the borough to defeat Carshalton Athletic by 4-1 (Baylis 2, Thornton and Martin) and set up a 3rd qualifying round tie with Mitcham Wanderers.

The 1925/26 season is one of U's worst league terms on record but they won two AC ties in October, winning at Epsom Town by 1-0 in the first qualifying and a fortnight later at home to Aquarius by 4-2 attracting attendances of 1,200 and 1,000 respectively. U's would reach the 4th qualifying round. The following season the two early round ties in October saw another win at Carshalton by 3-1 before an exit at Summerstown by 3-2 in front of 2,000 spectators.

The 1927/28 season saw U's win their first Athenian League title but it would also produce their best showing in the Amateur Cup to date reaching the third round after starting in the 1st qualifying round. For that early stage, United hosted West Norwood recording a 3-1 win, Arthur Savage scoring twice and it was Savage who did the damage a fortnight later as U's won at the ASG by 5-2 against Tooting Town, the home centre-forward scoring three goals.

The following season Sutton would enjoy another mammoth Amateur Cup run. Their run to the third round the previous season did not exempt them from qualification and so another start in the 1st qualifying round. Reigate Priory were the visitors and a 2-0 win was recorded. The next round was also at home, U's squeezing past Epsom Town 3-2 with one of the goals coming from a William Nightingale. Sutton would reach the semi-final only to be kicked out of the cup for a breach of FA rules that would seem madness today.

The 1928 competition once again provided two October ties. The 1st qualifying round brought a trip to Dorking and a 4-2 success, H Westlake scoring a hat-trick and the next round also brought a 4-1 home win over West Norwood.

The 1930s and a 4-2 defeat of local club Wallington (Archie Mason 2), before a 2nd qualifying round exit at Dorking by the same score but aet. The 1931/32 season brought a 1QR draw with Leyland Motors and a fortnight on U's continued their progress at the expense of Carshalton Athletic by 3-1 with Basil Thomson scoring twice; both matches played at Sutton.

1932 and The Motors again visited The Adult School Ground at the same stage and were duly humbled to the tune of 7-1 (they had already been thrashed 5-0 at Sutton in an FA Cup tie). There were braces for L Collins and E Dempsey both on debut, their only senior goals for Sutton in brief spells at the club. U's were on the end of their own humbling in the following round at Epsom Town by 4-1.

The 1933/34 campaign paired U's with Nunhead in the 1QR. Sam Manners and Tipper Pratt scored the goals as U's overcame Isthmian League visitors. It was the start of a run to the 3rd round proper and the 2QR victory came at home to West Norwood, a seven goal thriller ending 4-3 with Richard Tarrant scoring twice.

That run gave U's an exemption from the early qualifying rounds for '34/35 and the following term would provide the last of Sutton's October Amateur Cup football. The first qualifying round was a trip to rural Surrey and a 2-0 defeat of Cranleigh (Tarrant 2) with Hugh Pratt making his debut on the right flank and Tipper (no relation, right) in his customary left wing role. The next round was a home tie with rivals, Tooting & Mitcham United. That ended 2-2 aet but U's won the replay a week later in early November, 4-0, and would end their run in the fourth round proper.

From that point U's Amateur Cup entry either side of WWII was the first round proper before they were forced back into the 4QR in 1950. Their final match in the Amateur Cup qualifying rounds was in November 1960, a 6-1 thrashing of Woolwich Polytechnic.

SUFC v West Bromwich Albion

Albion's only previous visit to GGL was in January 2025, when the two sides drew 2-2 in the NLC Qualifying Group. U's won the penalty shootout by 3-1 leaving Sutton's progression to the knockout stages requiring a combination of advantageous results. On loan Millwall goalkeeper George Evans saved three of Albion's penalties. Nana Boateng scored Sutton's winning spot kick after earlier missing one in normal time with the scores at 1-1.
