WELCOME TO SUTTON UNITED FOOTBALL CLUB

Setting the Scene

Good evening and welcome to tonight's Enterprise National League game against Aldershot, whose supporters normally come here in good numbers and we offer them a warm welcome.

With all four meetings since our relegation having been drawn, and the sides only separated in the current league table on goal difference, we should see a close game tonight as we both look to reverse disappointing runs which followed promising starts to the season. After last night's games that league table, which is up to date in tonight's programme (one of the advantages of doing it digitally), shows us both rather closer to the bottom four than the top seven now in terms of points, so a good result tonight is important for both sides.

Both ourselves and Aldershot survived awkward ties in the FA Cup, though, and have both been rewarded with trips to Yorkshire in the first round. While Aldershot go to League One Barnsley, whose recent record is worse than either of ours, we face in-form Northern Premier League team Guiseley, and we hope as many supporters as possible will make the trip. Supporters' Club travel information for the game is elsewhere in the programme, and for independent travellers it is an easy train trip via Leeds.

Enjoy tonight's game.

CHRIS'S COLUMN

CHRIS AGUTTER

HEAD COACH

A warm welcome to the 360 Engage Stadium for tonight's National League match against Aldershot Town.

We're obviously disappointed with the result at the weekend, disappointed with the performance in the first half. Some positives to take from the second half showing, but it shouldn't take conceding three goals for us to deliver a level of performance which is anywhere what we want.

Every game is incredibly important. Every point, every three points, is crucial to us achieving what we want to achieve; we set out big expectations and high standards. We started incredibly well and in line with those expectations, and we've dropped off it, and we just need to try and attack the next game.

We need to take the best bits from the Truro game, from the West Brom game, from the second half against Harrogate, and bring that to the table for the duration of the game against Aldershot, whose staff, players and supporters we welcome tonight.

Scott's done a great job there. He's gone in, done a brilliant job and got off to a good start. He's obviously had a couple of moody results, but that happens in an incredibly competitive league.

They're aggressive, very direct, attacking from the off. They recruited a lot of players from National League South and rebuilt a whole new side there in the summer. It's going to be a test, but one that we're looking forward to and one that we're really respectful of and well aware of what we're walking into.

We know we need to produce a level of performance like we did in the second half against Harrogate to give ourselves the best chance. We're just looking forward to getting back out there quickly in front of our home support at Gander Green Lane.

TIM TALKS

TIM ALLISON
CHIEF OPERATING OFFICER

Once again it's a pleasure to welcome supporters and club officials from Aldershot back to the 360 Engage Stadium. A regular opponent and relatively local too, so a match that is sure to be as passionate as it is important for both clubs. The onfield performances of late have been patchy, but with our opponents able to do better in the periods where we have fallen short, and us less able to do so when we have been on top. That demonstrates the fine

margins in a sport that is by its nature lowscoring. Whilst in the most recent league matches we have had two good halves – the first half against Boreham Wood, and the second half against Harrogate - we have succumbed to defeat in both. I doubt many would be surprised by a brace of defeats against the top two clubs in the division but it is points to be obtained against the teams just above or below us that will be vital in our play-off push this season. This evening's match sits in that category.

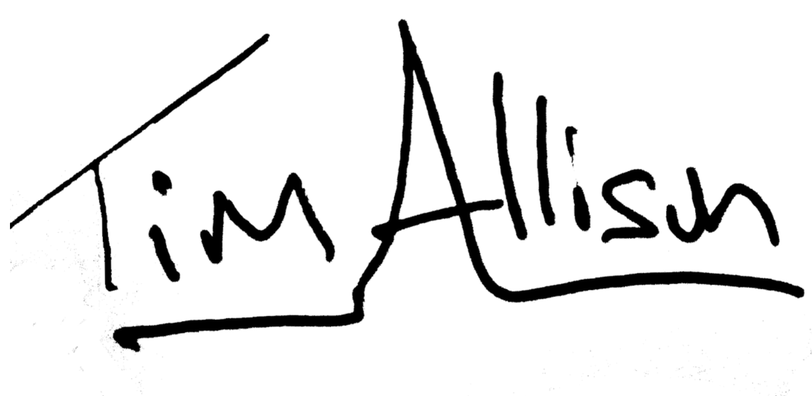

Of equal note, but vital for a different reason, is our forthcoming return to Yorkshire, this time facing Guiseley in the Emirates FA Cup. The removal of replays from the competition proper means, after club protests following the lack of consultation, a significant step up in prize money for the early rounds. A win away from home on this occasion brings with it just shy of £70k in prize money.

A similar boost to the Club would result from around another 500 tickets sold for a home match. If just 1% of tonight's crowd encouraged one friend to accompany them to the remaining home matches of the season the proceeds of those additional sold tickets wouldn't be too different. Just one in a hundred of our supporters tonight doing that makes a big difference. 99 in 100 doing nothing and you, the reader, thinking of what you can do and helping in that way is huge.

The future direction of the club can be influenced by small things at the margin. A late deflected goal, the penalty awarded, or saved, but just as equally support from the terraces can be about spreading the word and growing our fanbase. I would like to think as many are doing that as the numbers I hear shouting what can best be politely put as "unhelpful" comments at our players on occasions.

To some Sutton is seen as an ex-league club, and therefore both well supported and well financed. In reality, were the National League table reconstructed and ranked by attendance, we would be in 12th place. Tonight's opponents above us in 11th. That's a club that were relegated to the National League in 2013 and have only been in the top half of the division on three occasions in those thirteen seasons since. We can't change things overnight, but success on the pitch and growth off it go hand in hand. We can all be a part of our longer term success.

Up the U's.

Scott Davies joined the club as manager in the summer, his second job in management after being a player-manager for Slough Town for four years.

He spent his playing career as the ultimate football journeyman, as in his twenty year career he played for twenty clubs including three separate spells for The Shots, including on loan during the 2007/08 season where he helped the side win the Conference and gain promotion into the EFL. He stayed with The Shots for their first season back in the EFL, again on loan, and had his best goalscoring season finding the back of the net 13 times in 41 games from midfield before returning to his parent club Reading.

He had one more loan spell at Aldershot but in 2019 moved to Slough Town, initially as a player, and after three years at the club he was promoted to player manager, a role he held for four seasons, winning 71 times in 197 games.

In the summer he returned to Aldershot as manager and will hope to take The Shots back into the EFL.

THE KEY

12

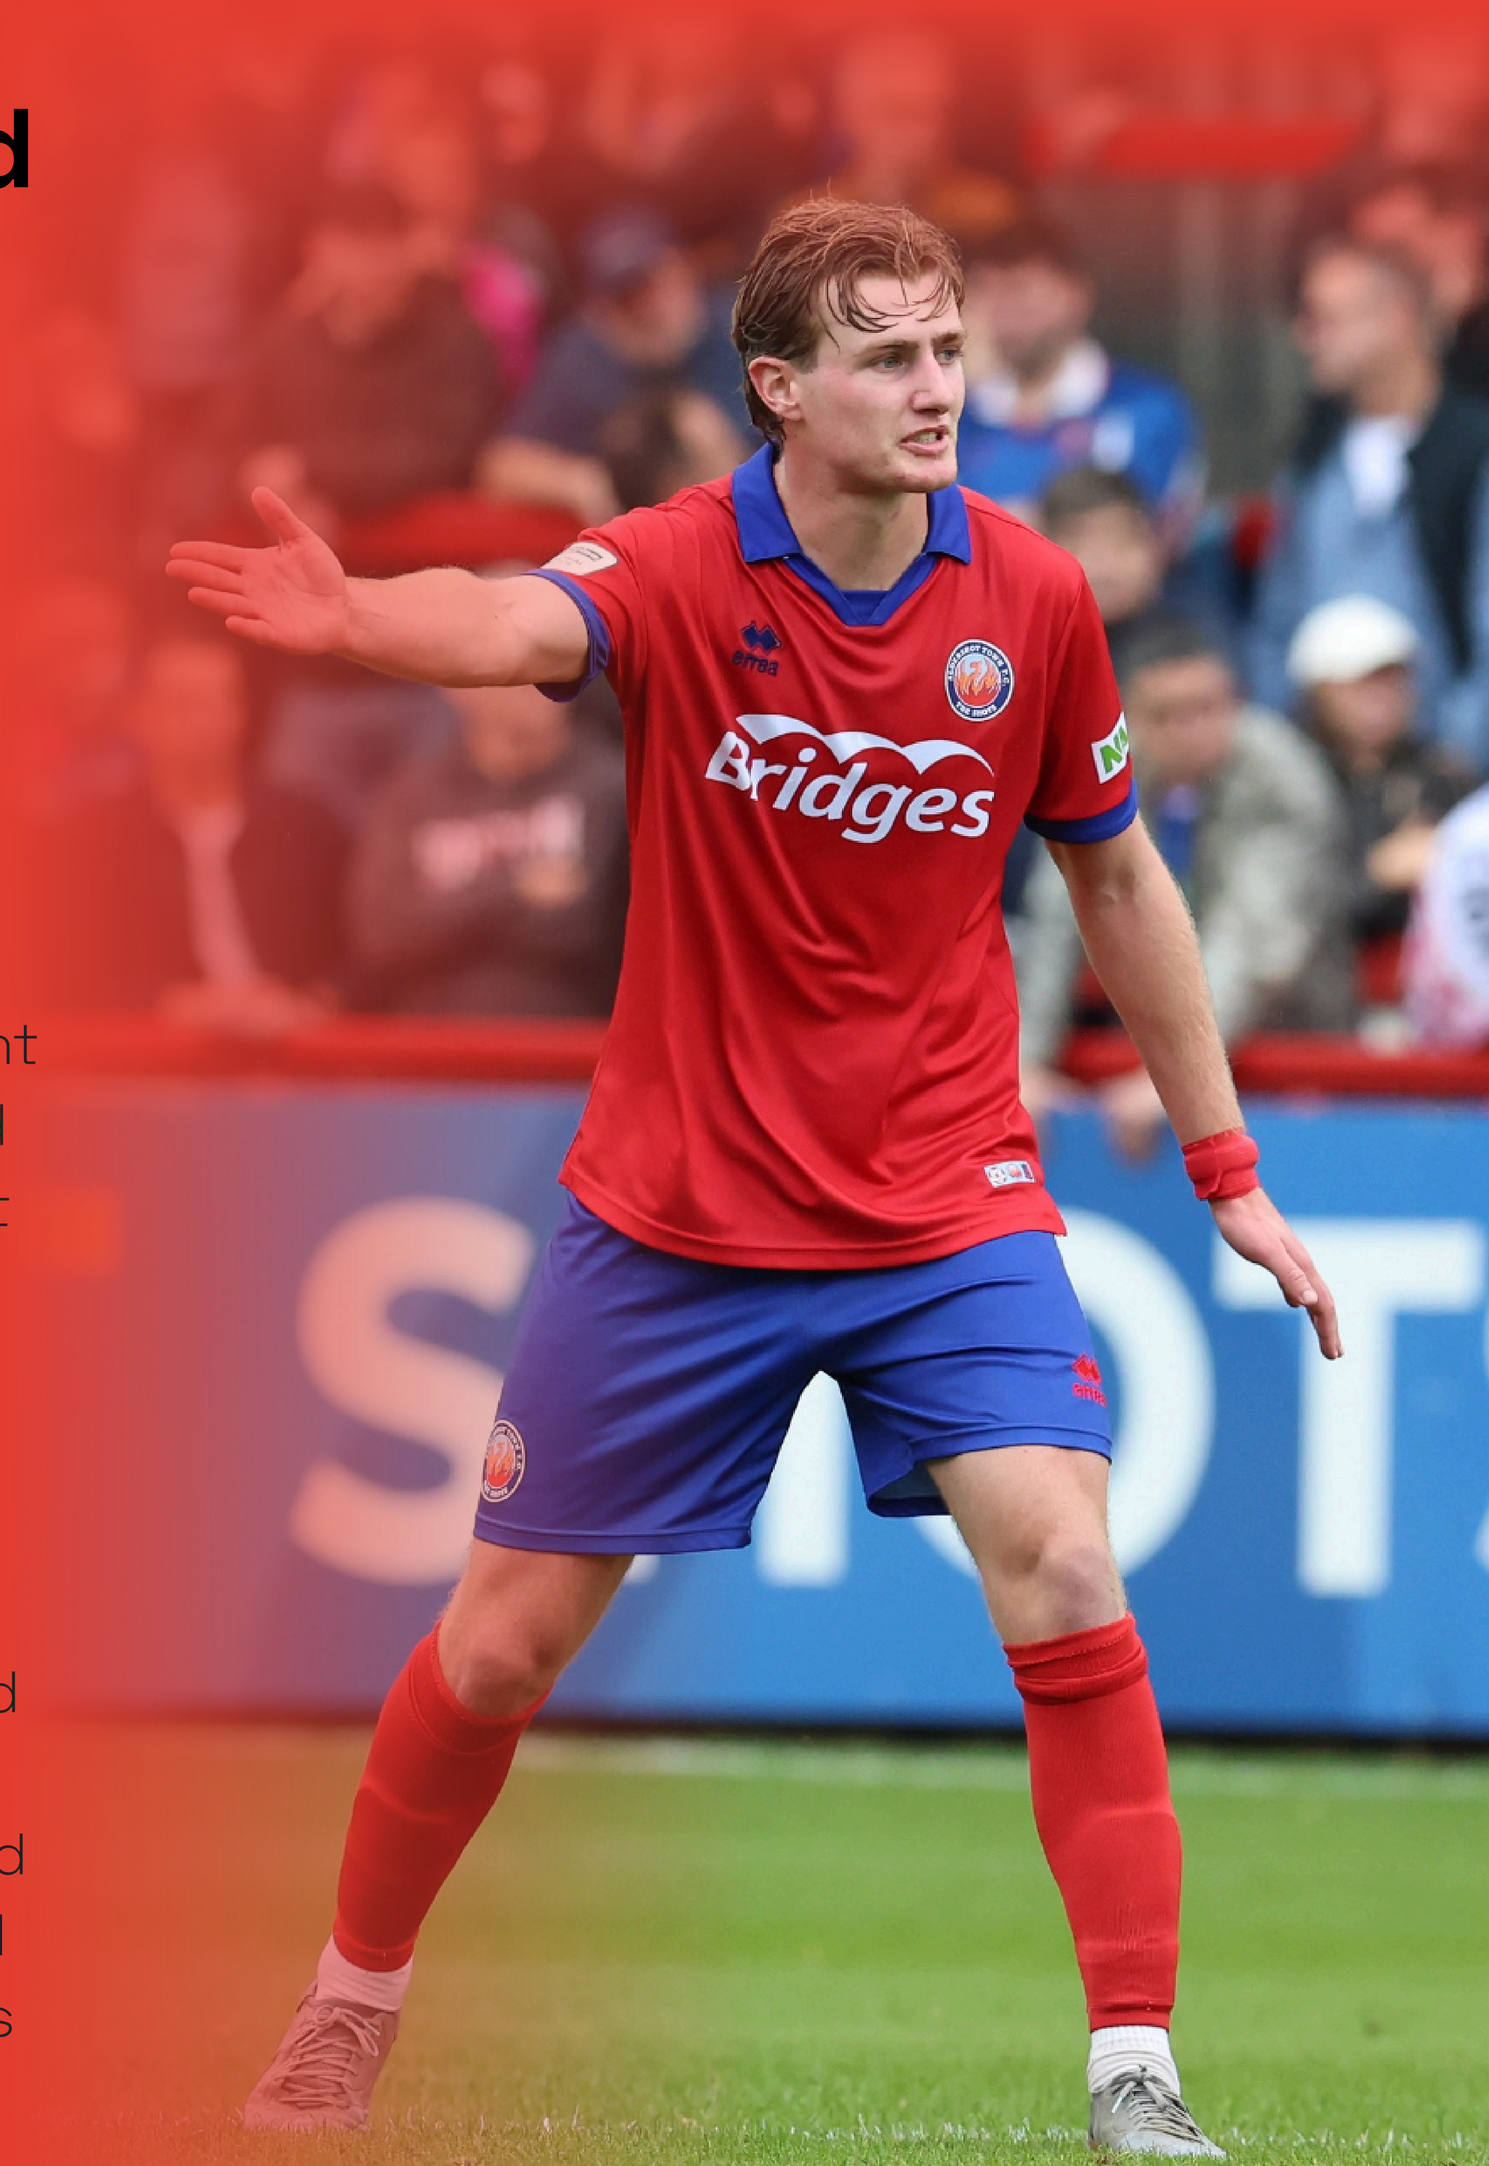

Michael Stickland

Defender

Michael Stickland is a talented young English defender with bags of talent, who started his career at Reading where he gained experience in both the Championship and League One.

Having come through Reading's academy Stickland made ten senior appearances for The Royals then went on loan to Farnborough in the second half of last season, playing a key part in keeping them clear of relegation.

This caught the attention of The Shots and led them to sign him permanently at the end of his contract this summer. The 22 year old is a real leader at the back, good in the air with impressive positioning and he defends his box well, Stickland will be a hard player to bypass for the U's tonight.

6

Dominic Odusanya

Midfielder

Dominic Odusanya is a versatile midfielder who started his career at Tooting and Mitcham before spending three years at Maidstone, where he featured in their 2021-22 National League South championship success and played regularly the following season.

After a spell with Welling he joined Braintree and again featured in promotion from the National League South, registering a goal and an assist in the play off final against Worthing.

He went on to play for Eastbourne before joining Chelmsford last season, where he made 30 appearances and captained the side.

His form with Chelmsford last season attracted the attention of Aldershot, who signed him in the summer.

7

Tristan Abrahams

Forward

Tristan Abrahams started his career at Leyton Orient and has played around 300 senior games in a career that has included Norwich City, Newport Town, Exeter City, Grimsby Town, Carlisle United and Eastleigh, Welling United and Maidenhead United, where his goalscoring form, including two in their game at Aldershot, earned him a move to the EBB Stadium in summer 2025.

A regular scorer at every club he's been at, he started this season with five goals in Aldershot's first five games including a hat-trick in the 3-1 win against Harrogate.

His positioning allows him to get on the end of chances consistently, and his physical strength is a constant threat to defenders, and he's a player we'll hope to keep quiet this evening.

A BLAST FROM THE PAST

We pick a notable clash with Aldershot from the U's 128 year history

The final National League game of the 2017-18 season saw Sutton and Aldershot both certain of a place in the play-offs but uncertain of their final positions. We knew that avoiding defeat would guarantee third place and a bye to the semi finals, but an Aldershot victory would see them jump above us to claim that spot and leave us facing an elimination game.

Before the game there was an emotional moment as past players joined those in the biggest league crowd of the season in a minute's applause to remember legendary former Sutton manager Barrie Williams, whose death had been announced earlier in the week.

It was a hard fought and competitive game that remained goalless until the second half, but soon after the interval Tommy Wright stabbed home from close range to put us in front. It was a short lived lead as eight minutes later Nick Bailey was adjudged to have fouled Shamir Fenelon, and Scott Rendell converted the penalty.

We clinched third place eleven minutes from time when Josh Taylor's shot was spilled by goalkeeper Lewis Ward, who would later play for Sutton in the 2022-23 season, and Ross Lafayette forced the ball home (above). Aldershot then hosted Ebbsfleet in the elimination round, losing on penalties, while we lost at home to Boreham Wood in the semi final.

Sutton: Butler, John, Thomas, Beckwith, Bailey, Collins, Bolarinwa, Davis (Lafayette 71), Wright(Harrison 78), Taylor, Cadogan (Beautyman H-T) Subs n/u Downer, Stearn.

HISTORIC RAMBLINGS

Written by Mark Frake.

For this season I will be reviewing a month that today's fixture falls in from a given year .

1949

Sutton and Surrey FA playing legend Bill Shepherd was in his second full season as manager having taken over from Frank Saunders in November 1947. This period of the club's history would prove a disappointing one, especially following the 1945/46 season that had seen U's achieve the Athenian League/Surrey Senior Cup double and reach the FA Cup first round for the first time. Three and a half years on those successes were just a distant memory.

The season hadn't started well for the club. Eliminated by Kingstonian in the FA Cup first qualifying round, they had won just one of their first four Athenian League matches as October started with the visit of an unbeaten Bromley side that were also the holders of the Amateur Cup having defeated Romford earlier in the year.

Sutton went into this match on the back of a 5-1 reverse at league leaders Hendon. Tommy Braddle returned at left back and George Manning at right half while Maurice Baker, signed from Banbury Spencer, made his debut at inside left. Braddle and Manning had both played for Surrey FA rather than toiling at Hendon and Braddle also played for the Athenians v the Isthmian League the previous Wednesday.

Following that Hendon result, second placed Bromley appeared to offer a similar test but Braddle was imperious against England amateur Martin, and Les Hockaday gave the free-scoring centre forward Brown a very difficult afternoon.

The hosts started in explosive fashion. Claude Pettitt found Dennis Ford on the left flank and his pass was collected by Sid Faggetter who rounded his marker to fire past Bromley custodian Cornthwaite. The goal had come within just 90 seconds of the start. Ford and Faggetter both missed further chances before Bromley began to exhibit their attacking prowess but they found U's rear guard impenetrable. Dennis Dodd went close for U's before they doubled their advantage. Dodd's cross caused chaos in the Bromley goalmouth and Faggetter applied the crucial touch.

The second half brought Bromley to the fore and Ralph Carr in the home goal finally found himself fully employed. Still The Ravens couldn't score and their efforts were further frustrated when Fuller, switched from centre half to centre forward, hit the woodwork with one shot. In the 80th minute, Fuller diverted a Dumnall effort past the stranded Carr to set up a tense finish. U's attacking play was limited but they defended strongly to gain, on form, an unlikely two points. This was not the first time that a much fancied Bromley side had fallen at the BSG over the years, U's carrying the tag of "bogey side".

U's: Carr, Pope, Braddle, Manning, Hockaday, Pettitt, Dodd, McNally, Faggetter, Baker, Ford

A week later, having overcome second placed

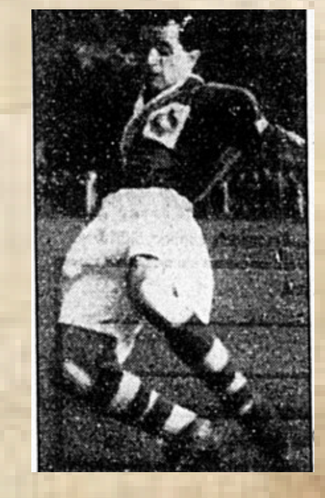

Bromley, United entertained second from bottom Finchley. Shepherd picked the same side but the robust approach from the visitors proved too much for Sutton and thus Finchley recorded their first win of the season by 3-1, U's three goals adrift by half-time, taking their points total to three from six outings.

A third successive Athenian League home game followed as U's entertained Barnet. The two clubs had already met in the AL in early September and, as in that match, Sutton prevailed by 1-0 with debut-making Roy Raynor, signed from Finchley, scoring the only goal. The following Saturday, the 22nd, U's were back on the road (or train!) with a trip to Lower Mead. Raynor scored again but the team slipped to a 3-1 reverse, Wealdstone extending their unbeaten run to six matches in all competitions and leap frogging Sutton in the AL having played three matches fewer.

The month ended with the return AL fixture at Bromley. The hosts had bounced back from their shock reverse earlier in the month with three straight wins, the last of which was a 9-0 thrashing of Hitchin Town. Against the run of play Bromley led after ten minutes but three minutes later Dodd levelled. The Ravens poured all over U's in the second period but Sutton held to take a point, the first dropped at Hayes Lane by the home side. Thus, U's finished October in mid-table but having played a number of matches more than most of their contemporaries.

October record (league only) P5 W2 D1 L 2 F6 A8

Sid Faggetter and Roy Raynor (right, wearing Carshalton colours later in his career) led the goal charts for the month with two each.

Sutton's season continued to limp along. The furthest they progressed in cup competitions was the second round of the Amateur and London Senior competitions and towards the end of the season this lack of knockout football saw them play five friendlies to cover blank Saturdays. The club finished twelfth out of fourteen in the AL with just twenty points and only two clubs scored fewer than U's 37 goals.

SUFC v Aldershot Town

Sutton played the original club twice, both FA Cup ties at GGL. In 1963 The Shots won 4-0 in the first round but Sutton gained revenge in 1987 with a superb 3-0 victory, also in the first round.

Since reforming, U's have played Aldershot in both Isthmian and National Leagues. Here at GGL in the IL U's were unbeaten, two wins and two draws including a 5-0 hammering that confirmed Sutton as 1998/99 champions. The second of the draws in 2003 confirmed Aldershot as champions in front of a crowd of 2,002. In the NL today is Shots' seventh visit, the 2019/20 match not played because of Covid. United have won four and drawn two, including last season's blank stalemate. Matches at both venues tend to be tight with both sides enjoying home advantage more than being on their travels.

U's record (league only)at GGL W6 D4 L0 F19 A6

Lewis Simper's two goals at The Recreation Ground on Good Friday (right, the first) brought him level with Jamie Collins as U's top league scorer in matches with The Shots with three apiece.

Players to appear for both clubs include goalkeepers Les Cleevely, Gareth Howells and Andy Pape, defenders Tobi Jinadu and the aforementioned Jamie Collins, midfielders Paul Harford and Steve Watson. Forwards include Scott Forrester and Mark Watson. Current SUFC Academy Director, Jimmy Dack, is also on this list which is quite extensive. Of course, Will Nightingale may line up against his old club this evening if he has recovered from injury.

SUTTON UTD 1 DAGENHAM & REDBRIDGE 0

A hard fought game in blustery conditions was settled by Josh Muwana's header just after the hour mark. Dagenham had the better of the conditions in the first half and had several early chances to go in front, the best inside the first minute, but later in the half Winston Iworh glanced a header over from Marvel N'Zi's cross and Tae Bamidele shot just wide from twenty yards. The closest to a goal, though, came when Lewis Bullen produced a tremendous save to keep out a twenty yard shot that was heading for the top corner.

We started the second half strongly, winning a succession of corners and throw-ins, and just after the hour Bamidele's corner from the left was headed powerfully home by Muwana at the far post. We defended the lead well, while at the other end Iworh and Thierry Ajugo had shots saved by the Dagenham goalkeeper as we saw out a first win in four games.

Josh Jenkins hurdles a challenge from a Dagenham defender last Wednesday.

Our Division F team came from 2-0 down at half time last Wednesday to earn a 2-2 draw at home to Metropolitan Police, with Areshai Dillon and Harley Francis scoring the goals.

On Monday they played their delayed National League Alliance League Cup tie against AFC Greenwich Borough, and having drawn with the same opposition earlier this month the sides again could not be separated after 90 minutes, the game ending goalless. Greenwich emerged victorious 5-4 in a penalty shootout.

SUTTON UNITED 1 BRENTFORD 1

We earned an excellent and well deserved draw against a Brentford side who had picked up 19 points out of 21 so far, averaging more than four goals a game.

With that in mind things looked ominous when Ashley Cheatley raced clear on the right to score after just ten minutes, but we came back well and just before the half hour good work by Emma Spear making a club record 96th appearance, put Millie Cutler through and she was brought down as she tried to go round the goalkeeper, picking herself up to convert the penalty.

Spear almost set Cutler up for a second soon afterwards, the goalkeeper scrambling the ball away at the near post, and in the second half both teams had chances, Iride Adetunji heading wide from K'Shaela Burch-Waldron's cross, and Lizzy Knight making good saves from Chelsie Berry and Abbi Smith. Wiktoria Kiszkis thought she had won it for Brentford two minutes from time as she chipped over Knight, but an offside decision ruled the goal out and the points were shared.

London & South East Regional League
SUTTON UNITED 3 DORKING WANDERERS 2

We picked up a first win in seven league and cup games but had to battle for it having gone in to a 3-0 lead with little more than half an hour played.

With a strong wind on our backs we took full advantage as Sophie Modak swung a corner from the right straight in to the net after six minutes, and Ella Meehan then scored with a long range free kick twelve minutes later.

When K'Shaela Burch-Waldron made it 3-0, shooting in on the turn when Emma Spear's left wing corner wasn't cleared, we seemed on course for a comfortable victory but Dorking pulled one back on the stroke of half time through Holly Crane, and with the wind behind them spurned several chances before former U Jaz Backhurst's free kick in the first minute of stoppage time was spilled by Lizzy Knight and scrambled in by Amber Watson, but we held on for the victory.

Sutton: Knight, Cockrell, Meehan, Modak, Crook, Heavingham-Ford, Spear, Burch-Waldron, Cutler, Oliver, Clark. Subs Adetunji, Durrant, Gilbert-Lawal, Heasman, Rafique.

FOUNDATION

THE POWER OF PEOPLE.

Football has always been about more than what happens on the pitch. It is about people, the connections we build, and the difference we can make when we come together.

At Sutton United, we see that every day. From the players representing the club to the supporters filling the stands, the volunteers giving up their time and the staff working behind the scenes, everyone has a part to play in making this club what it is.

Through the Sutton United Foundation, we see the power of people in a different but equally important way. Football brings together individuals from all walks of life, creating opportunities to build friendships, develop confidence and feel part of something bigger. Whether it is a young person finding their feet, a family sharing their first matchday experience or someone discovering a new community through our inclusive programmes, it is often the people around them who make the biggest difference.

Our strength has never been measured by results alone. It is measured by the relationships we build, the opportunities we create and the lives we touch along the way.

As a club, we should never underestimate what can be achieved when people pull in the same direction. Every conversation, every act of kindness and every shared experience matters.

Because ultimately, football may bring us together, but it is people who make it special.

Community Engagement Lead,
Sutton United Foundation

MATCH ACTION

Emmanuel Osadebe's goal just after the half hour mark was enough to settle a tight Emirates FA Cup tie, with Truro putting pressure on in the second half but unable to breach our back line and goalkeeper.

In a game of few clear chances Temi Babalola headed wide from a corner before laying a pass in to the path of Osadebe, whose low shot (above) was beyond the reach of Aidan Stone and went in off the post.

Spike Brits had to make a smart save on his goalline soon afterwards when Jack Stretton turned the ball goalwards following a long throw, and as Truro came out strongly at the start of the second half we had to face several more long throws and corners.

Babalola headed just over from a corner with our best opportunity, although Omar Mussa did have a goal ruled out for a marginal offside, but Brits was a key figure late on with a good save from Stretton and an even better reflex stop to his left from substitute Zac Bell's volley, before blocking Luke Jephcott's close range effort by the post.

AROUND THE GROUNDS

Louis Massingham-Rowell looks at the weekend action in the Enterprise National League.

Thirty-six goals were scored across the ten fixtures that survived the weather at the weekend, with a number of happy travelling supporters after four sides picked up three points on the road. Gateshead v Tamworth was postponed, and Barrow v Forest Green abandoned after 14 minutes with Barrow a goal up, both due to waterlogged pitches.

League leaders Boreham Wood were one of four sides to win at home on Saturday, beating AFC Fylde 4-0. Three goals in twelve first-half minutes made it a comfortable afternoon for Luke Garrard's side. Zak Brunt scored the first and fourth goals for the Wood but failed to get a hat-trick after blazing his first-half penalty over the bar. Tylor Golden and Jay Bird ensured it was seven wins on the bounce for the league leaders.

Harrogate ended the day seven points behind after their 3-1 win against the U's, their fifth consecutive win in the National League. Southend United were left frustrated at Roots Hall after a 90th-minute equaliser from Tayt Trusty meant Halifax travelled back to Yorkshire with a point. The Shrimpers took the lead twice through Promise Omochere's penalty and an own goal from Mackenzie Maltby, but the Shaymen struck back both times to secure a 2-2 draw. The Shrimpers were down to ten men when Halifax equalised at the death. Ben Goodliffe was denied entry to the pitch as Omochere took too long to depart when substituted. Southend manager Kieron Dyer was sent off after the game for complaining to the referee due to the interpretation of the ten-second substitution rule. It meant Halifax had lost once in their last eleven games in all competitions.

Yeovil's eight-game unbeaten run ended after Altrincham scored two second-half goals to win 2-1 at Huish Park. Johl Powell scored his ninth goal in eight games to give the Glovers the lead going into half-time. Charlie Kirk and a debut goal for Kristian Dennis after a mistake from Yeovil keeper Jos Barker secured the three points for the Robins. Ben Radcliffe was sent off after a late challenge on Dennis in second-half added time. The Lancashire side had won nine of their previous eleven league games and sat fifth in the division ahead of home games against Kidderminster and Carlisle this week.

Altrincham's opponents last night, Kidderminster, lost 2-1 at home to Worthing in Saturday's late kick-off. Despite Ben Crompton's first goal for the club giving them a half-time lead, the Carpetmen couldn't see out the second half. Goals from Razzaq Coleman De-Graft and Cory Adejetey-Brew stretched Worthing's unbeaten league run to seven games and extended Kidderminster's winless run to six league games.

Pete Wild made it back-to-back wins in the National League as his Hartlepool side came from behind to win 2-1 at home to Hornchurch. Angelo Balanta gave the away side the lead one minute into the second half from a corner kick. When Hartlepool's Neo Eccleston was sent off for the third time this season, it looked as though the East London side would pick up a vital three points, but Ryan Inniss's own goal and Luke Charman's strike gave Pools the three points. The Urchins have lost five away games on the bounce and were hoping their strong home form will have got them some points against Yeovil last night.

Carlisle remain unbeaten in October after winning 2-1 at Solihull Moors despite Ben Wodskou giving Moors the lead in first-half injury time. Morgan Feeney and David Ajiboye scored in eight second-half minutes to secure the three points for the visitors. The Moors finished the game 23rd in the division, with thirty-seven goals conceded, half the number they conceded throughout the 2025/26 campaign.

Tonight's visitors, Aldershot, have won one of their previous seven league games after losing 1-0 to Wealdstone. Gary Waddock returned to his former club and left with three points after leading scorer Olufela Olomola's goal in the second half, his fifth of the season.

Aaron Blair took his tally to seven with a hat-trick in Eastleigh's 4-2 win against Boston at the Silverlake Stadium. The striker scored twice in the first half, but his side were pegged back both times, with Lenell John-Lewis and Jake Rooney finding the net for the Pilgrims. The Spitfires secured the three points in the second half, giving them their first league win in five attempts while Boston manager Paul Hurst had seen his side take one point from their previous five games.

Another manager whose side is in poor form is Scunthorpe's Andy Butler. The Iron suffered a ninth defeat of the season and a fifth in their last six games. Woking took a 3-0 lead after two goals from Aiden O'Brien and a John Marquis penalty. A red card for Rico Browne swung the game in Scunthorpe's favour, and despite missing a penalty, James Norwood reduced the deficit. Luke Brennan scored Scunthorpe's second with five minutes to go, but the Cardinals saw out a third away league win in a row.
